Earning A Buck (classroom activity A)

Activity	Time	Objective	Description
Introduction	3 minutes		<ul style="list-style-type: none"> Explain that people are given money (income) for tasks that they accomplish (earned income) and as gifts (gifted income).
Discussion	7 minutes	To identify the difference between earned and gifted income and identify tasks they can complete to earn money.	<ul style="list-style-type: none"> Discuss with the students the difference between earned and gifted income. Write "Earned" and "Gifted" in two columns on the board. Have the students give examples of ways to earn money and examples of gifted income and put them into the appropriate column on the board.
Classroom Activity	8 minutes	To reinforce the concepts taught in this lesson through hands-on activities.	<ul style="list-style-type: none"> Hand out the <u>Earn A Buck</u> activity sheets. Have the students work on the sheets individually or in a group. Walk through the instructions of the first part of the activity (number one), and then walk through one example as a class and let the students begin working. Walk through the instructions of the second part of the activity (number two), and then walk through one example as a class and let the students begin working.
Conclusion	2 minutes		<ul style="list-style-type: none"> Ask the students a few questions to review the lesson. Explain the importance of knowing the difference between earned and gifted income as well as how important it is to work hard to earn money.
