## Draw a Bill

You have seen a one dollar bill many times. You may have even used one today, but do you remember what it looks like? I mean what it really looks like? Here is our chance to take a closer look.

1. You will be given 10 minutes to draw the front of a one dollar bill.
2. You cannot look at one; you must work off of your memory.
3. Try to include as many details as possible.
4. Start drawing when your presenter gives you the go ahead.
