Banking BINGO

Let's see how well you remember the things we have covered so far.

1. Randomly place the numbers 1-25 in the boxes below.
2. Answer the questions the presenter asks with the answers listed below.
3. Mark off the box with the number of the correct answer if anyone in your class gets the question right.
4. Be the first to mark off all of the boxes in a row to win. The row can be straight across (horizontal), up and down (vertical), or diagonal.
