Introduction

Thank you for choosing Umpqua Bank for your treasury management business needs. We appreciate the opportunity to serve you. If you have any questions regarding the treasury Services we offer or about these Terms and Conditions, please contact your treasury management Services representative.

Capitalized terms used in these Treasury Management Services Terms and Conditions (“Terms and Conditions”) that are not otherwise defined herein shall have the meanings provided in the Glossary hereof. **Collectively, any and all documentation provided to you in connection with the use of Umpqua’s treasury management Services, including these Terms and Conditions, constitute the TMS Agreement (“TMS Agreement” or “Agreement”).**

“Umpqua Bank,” “Umpqua,” “we,” “us” and “our,” refer to: (a) in the case of Umpqua’s obligations, the specific Umpqua entities involved in delivering the subject Service (i.e., only those specific entities shall have such obligations), or (b) in the case of rights or protections, all Umpqua entities, which means Umpqua and all entities controlled by, in control of, or under common control with Umpqua (i.e., all Umpqua entities shall have such rights and protections).

“Customer,” “you” and “your,” refer to each authorized signer who receives treasury management Services from any Umpqua entity.

This document contains the terms and conditions under which we provide you treasury management Services. Unless otherwise indicated, references to “accounts” are references to your relevant accounts at Umpqua. References to “Service” or “Services” are references to the treasury management Service or Services covered by the relevant section hereof. Please read this document carefully and keep it for your records.

If requested to sign and return a Treasury Management Services Agreement (“TMSA”), you agree to the General Provisions section of these Terms and Conditions (which contains terms and conditions applicable to all Services). If you would like an additional Service, it will be covered by the TMSA and these Terms and Conditions once we have approved your use of the Service. When you add a new Service, Umpqua will provide you with “Service Confirmation” and any associated User Documentation. You may begin using the Service when we have received all required and properly executed forms, and you have received and successfully completed any testing or training requirements.

In the absence of an executed TMSA, you agree to be bound by these Terms and Conditions and any applicable Applications, User Documentation, statement of fees and any other documentation necessary to provide access to the Services.

In addition to the TMSA and these Terms and Conditions, the Services shall also be subject to the following: (i) the agreements governing your relevant accounts, including agreements governing non-TMS Agreement services relating to those accounts, the Application regarding such accounts and regarding such non-TMS Agreement services, the subject account disclosures and statements of fees, relevant user or operating manuals or other documentation, relevant software agreements, relevant policies and procedures promulgated by Umpqua, and all schedules, exhibits, and addenda to any of the foregoing, all as amended from time to time, (all of which will be referred to collectively as the “Account Agreements”), (ii) the Uniform Commercial Code, (iii) clearing house operating rules, including the NACHA Rules, and (iv) laws and regulations, including regulations promulgated by the Federal Reserve Board and OFAC.

Whenever you use any of the Services covered by these Terms and Conditions, you agree to be bound by the Terms and Conditions, as amended from time to time, and to follow all applicable procedures provided in the applicable User Documentation.

General Provisions: Terms and Conditions applicable to all Treasury Management Services

Proprietary Information

Customer acknowledges that all computer programs and systems used in providing Services, and all information relating thereto, constitute proprietary property of Umpqua and/or Umpqua's licensors that is of commercial value. Customer shall not acquire any interest or rights therein as a result of its use of Services and shall keep all such information strictly confidential.

Representations & Warranties

Customer and Umpqua each represent and warrant to the other, as of the date the TMS Agreement is entered into and at the time any Service is used or performed hereunder, that such representing and warranting party: (a) is validly existing and in good standing under the laws of the jurisdiction of its organization; (b) has all requisite authority to enter into and perform the TMS Agreement, and that the TMS Agreement is enforceable according to its terms; and (c) any consent or authorization of any governmental or regulatory authority or third party required to be obtained has been obtained by it in connection with the TMS Agreement and the Service.

Financial Review

Umpqua's willingness to provide Services to Customer is dependent on Customer's financial condition. Customer's financial condition is subject to review by Umpqua from time to time, and such reviews must be satisfactory to Umpqua in its sole discretion and opinion. Customer shall, upon request, provide to Umpqua any such information as Umpqua may require to perform any such review. Customer's failure to meet such standards or provide such information or assistance when requested shall constitute a breach of the TMS Agreement and shall permit Umpqua to cease providing the Service immediately.

Fees

Unless otherwise agreed by Umpqua in writing, Customer shall pay Umpqua the fees, charges and assessments for the Service as provided in the most current fee schedule. The price for each Service shall be deemed accepted by Customer upon provision of Services to Customer. In addition, Customer shall pay Umpqua the amount of any sales, excise, or similar taxes levied on fees charged under the TMS Agreement, and any assessments charged to Umpqua directly as a result of providing Service. Additionally, Customer agrees to pay Umpqua any fees or charges provided for in any Account Agreement between Umpqua and Customer. The fees for Services may be adjusted to reflect increases in any applicable third party fees, assessment or charges. All such adjustments shall be Customer's responsibility to pay and shall become effective upon the date any such change is implemented by the applicable third party. Umpqua may change the amount or type of Service charges from time to time without advance notice to Customer. Fees for Service used by Customer may be charged in full to Customer's master billing account or may be offset through account analysis by applying earnings credit to Customer's Service charges to determine a single monthly net Service charge. Customer authorizes Umpqua to debit Customer's master billing account with Umpqua for any and all fees, expenses or other charges owed by Customer to Umpqua under the TMS Agreement.

Accounts

Unless otherwise determined by Umpqua, at Umpqua's sole discretion, to be eligible to use some Services, Customer must maintain an active, analyzed business checking account in good standing with Umpqua, as well as such other accounts as are specified in the sections hereof relating to specific Services hereunder.

Security Interest

Customer grants Umpqua a contractual possessory security interest in Customer's accounts maintained with Umpqua and the funds held therein to secure payment of all of Customer's obligations under the TMS Agreement. In connection with that grant, you acknowledge that we may setoff against any accounts you own in whole or in part with us for any obligation you owe us at any time and for any reason allowed by the laws governing your account. These obligations include both secured and unsecured debts and debts you owe individually or with another authorized signer. We may consider this TMS Agreement as your consent to Umpqua Bank's asserting its security interest or exercising its right of setoff should the laws governing your account require consent. The rights described in this subsection are in addition to and apart from any

other rights, including any rights granted under any security interest that you may have granted to us. The grant of this security interest shall survive termination of these Services.

Authorized Users

Customer agrees that Authorized Users shall be authorized to act on behalf of Customer in all actions taken under the TMS Agreement, including selecting Services for the benefit of Customer, appointing agents to act on behalf of Customer, signing any documents relating to the applicable Services (e.g., giving Customer's instructions regarding such Services), including wire transfers, ACH transfers and other electronic or paper transfers from or to any account Customer maintains with Umpqua and/or any account at another institution as specified by such Authorized Signer. The Authorized Users may appoint agents who may act on Customer's behalf regarding a particular Service in accordance with the relevant documents or system settings establishing the Authorized Users' responsibilities. Customer may revoke the authority of or change the Authorized Users at any time upon prior written notice or execution of system settings and/or execution of additional documentation as may be required by Umpqua. Such change or revocation shall not be binding upon Umpqua until Umpqua has received the required written notice or system setting change and has had a reasonable opportunity to act thereon. In any event, Umpqua may act on instructions that it believes in good faith were provided by an Authorized User, and agent of such Authorized User or anyone purporting to be an Authorized User.

Security Procedures

Umpqua shall from time to time establish one or more security procedures to be used by Umpqua and Customer in connection with certain Services. Customer agrees to be bound by any payment order, transaction or Service change order that is acted upon by Umpqua in accordance with such security procedures. Customer understands that the security procedures are not for the purpose of detecting errors in the transmission or content of information controlled by Customer. If Customer selects certain security procedures to use in connection with a Service and those security procedures provide less protection against unauthorized transactions or activity than other security procedures offered by Umpqua in connection with such Service: (i) the security procedures selected by Customer shall be deemed commercially reasonable to the same extent as the security procedures offered by Umpqua that provide greater protection; and (ii) Customer shall indemnify and hold Umpqua harmless from and against all Losses and Liabilities relating directly or indirectly to Customer's use of such security procedures. Umpqua reserves the right to issue new security procedures and/or to cancel or change any security procedures from time to time.

1. **Access.** Customer shall be solely responsible for designating individuals authorized to access Services and shall be liable for all transactions initiated through the Services, including overdrafts. Access to the Services will be controlled through the use of names, identification numbers and/or passwords for Authorized Users ("Credentials"). All information disseminated and transactions initiated with the appropriate Credentials shall be presumed to have been disseminated and/or initiated by Authorized Users. Customer is solely responsible for maintaining its own security and agrees to use the utmost care in selecting any individual given access to use one or more of Services or access to any information concerning one or more of Services. Customer is solely responsible for removing previously Authorized Users that it desires not to have access to Services. Customer shall be solely responsible for any future dated transactions initiated by an Authorized User, even when Customer removes access of that User before the occurrence of a stored future dated transaction. Customer is responsible for maintaining the security and confidentiality of all Credentials and other security devices issued to or by Customer (collectively, "Customer's Internal Security Devices"). Customer shall not permit unauthorized individuals to use Customer's Internal Security Devices to access any Services. Customer is responsible for the actions of any individuals using Customer's Internal Security Devices to access any Service. Customer shall immediately notify Umpqua by telephone and confirm such verbal notification in writing to Umpqua in 24 hours if the security of Customer's Internal Security Devices has been compromised. Customer shall indemnify and hold Umpqua harmless against all losses, liabilities, damages, claims, demands, obligations, actions, suits, judgments, penalties, costs or expenses, including, but not limited to, attorneys' fees, (collectively, "Losses and Liabilities") relating, directly or indirectly, to Customer's failure to maintain the security and confidentiality of Customer's Internal Security Devices, Credentials or the unlawful use of any Services by Customer or any person who obtains access to Services using Customer's Internal Security Devices.
2. **Confidentiality.** Customer and Umpqua represent, warrant and mutually agree that all confidential information concerning the other party or parties that comes into its possession in connection with any

Services including security procedures or any security codes, keys, online Credentials, identification numbers, digital certificates/signatures or template numbers (“Codes”), will be maintained in strictest confidence and shall not be used or divulged to any third party except in the proper performance of the TMS Agreement or as required by applicable law or regulation. Customer is solely responsible for establishing and maintaining procedures to assure the confidentiality of its own security procedures, security devices and Codes and assumes all risk of accidental disclosure or inadvertent use of any security device by any party whatsoever, whether such disclosure or use is due to Customer’s negligent or deliberate acts or otherwise. If Customer or its agents have reason to believe that any security procedures or Codes have or may become known by unauthorized persons (whether or not employed by Customer), Customer shall immediately notify Umpqua by telephone and confirm such verbal notification in writing to Umpqua within 24 hours. Umpqua will replace the security procedures and Codes in accordance with Umpqua’s security procedures. Customer shall be solely responsible for wire transfer instructions and other communications initiated before Umpqua received Customer’s notice and had a reasonable time to act on such notice. Umpqua reserves the right to change any or all of the security procedures or Codes by giving verbal or written notice to Customer.

3. **Verbal and/or Written Instructions.** For some Services, Umpqua may choose to honor Customer’s request to give Umpqua verbal or written instructions regarding Services. Customer agrees that Umpqua may in good faith rely on such verbal or written instructions that purport to come from an Authorized User without independent verification by Umpqua.
4. **System Requirements.** Customer shall at all times use an Internet web browser that supports the level of encryption used by Umpqua as part of its security procedures. Umpqua reserves the right to supplement or change its security procedures from time to time upon reasonable notice to Customer, which Customer acknowledges may be less than a day’s notice. Umpqua reserves the right to reject any transaction or Service request that is not made in accordance with its security procedures.
5. **Risks of Using the Internet.** Customer understands and agrees that, while Umpqua and Umpqua’s Service providers have established certain security procedures, such as firewalls and data encryption designed to prevent unauthorized access to Customer’s accounts or transactions, there can be no assurance that inquiries or transaction activity will be completely secure. Customer acknowledges and agrees to maintain adequate security measures for its systems so as to prevent unauthorized access. Customer also understands and agrees that access to the Service will not be free from delays, malfunctions, or other inconveniences generally associated with this electronic medium. Customer agrees that Umpqua is not responsible for any such unauthorized access, delays or malfunctions, or the acts of third parties.
6. **Customer Administrator.** Customer shall designate one or more Customer Administrators. Umpqua is authorized to direct all passwords, codes, program updates and System changes to the Customer Administrator. Umpqua is authorized to receive instructions from the Customer Administrator regarding requested changes to Services. The Customer Administrator shall be responsible for setting up online Services and for establishing internal security procedures related to such online Services, including accepting delivery of software, system-wide configuration of Umpqua accounts, establishing authority levels, establishing authorization requirements, and distributing online Credentials, Umpqua administered security devices, and other internal security devices related to the online Services. Customer’s designation of the Customer Administrator may be amended or revoked from time to time upon written notice to Umpqua. Umpqua shall have a reasonable time to act on any such notice.

Online Services – Restricted Transactions

Restricted transactions are prohibited from being processed through any account or relationship or Service hereunder. The Federal Reserve Board’s Regulation GG defines “restricted transaction” as meaning any of the following transactions or transmittals involving any credit, funds, instrument, or proceeds that the law prohibits any person engaged in the business of betting or wagering (which does not include the activities of a financial transaction provider, or any interactive computer Service or telecommunications Service) from knowingly accepting, in connection with the participation of another person in unlawful Internet gambling:

- Credit, or the proceeds of credit, extended to or on behalf of such other person (including credit extended through the use of a credit card);

- An electronic fund transfer, or funds transmitted by or through a money transmitting business, or the proceeds of an electronic fund transfer or money transmitting Service, from or on behalf of such other person; or
- Any Check or Item that is drawn by or on behalf of such other person and is drawn on or payable at or through any financial institution.

Equipment & Software

Customer is responsible for obtaining (from Umpqua, in some instances), installing and maintaining the computers, communications equipment, software, web browsers, Internet access, merchant terminals, and communications Services necessary to access and use Services in accordance with the TMS Agreement, all at Customer's sole expense. Umpqua is not responsible for any errors or failures from any malfunction of your computer or software. Umpqua makes no warranty to Customer regarding your computer or software, including any warranty of merchantability or fitness for a particular purpose.

Customer agrees to install upgrades and other system enhancements within a reasonable time of being requested to do so by Umpqua.

With respect to any software provided to Customer by Umpqua or by Umpqua's licensors ("Umpqua Software"), Customer shall comply with all applicable software license agreements, whether or not Customer has executed such agreements. Such license agreements shall be embedded in the software, separately documented, and/or as provided herein, and Customer shall be bound by all of the foregoing.

Customer has no rights or ownership in any Umpqua Software provided by or through Umpqua and shall not transfer, copy, alter, modify, reverse engineer, reproduce, or convey in any manner, in whole or in part, any such Umpqua Software. Customer shall return all Umpqua Software and user manuals and other documentation associated with any Umpqua Software upon request. Umpqua makes no representations or warranties regarding any equipment or software provided by Umpqua or by Umpqua's licensors. Umpqua is not responsible for any computer viruses that Customer may encounter. Umpqua is not responsible for any computer virus related problems that may be associated with the use of the Online Banking Service or any other Service.

UMPQUA AND UMPQUA'S LICENSORS SHALL HAVE NO LIABILITY OF ANY NATURE TO CUSTOMER, OR TO ANY THIRD PARTY, FOR ANY DAMAGES, LOSSES, LIABILITIES OR CLAIMS, WHETHER IN CONTRACT, TORT, INFRINGEMENT, OR OTHERWISE, WHICH CUSTOMER OR ANY THIRD PARTY MAY INCUR IN CONNECTION WITH CUSTOMER'S USE OF ANY SOFTWARE, OR COMPUTERS OR OTHER EQUIPMENT, WHETHER OR NOT SUPPLIED BY UMPQUA OR UMPQUA'S LICENSORS, INCLUDING, WITHOUT LIMITATION, ANY ARISING FROM ERRORS IN THE SOFTWARE OR COMPUTERS OR OTHER EQUIPMENT.

License

Subject to agreements Umpqua may have with its licensors, whenever Umpqua provides Customer with any Umpqua Software, Umpqua grants Customer a non-exclusive, non-transferable license, non-sub-licensable license to: use the Umpqua Software in object code form only in connection with the applicable Services, solely for Customer's business operations, in accordance with the TMS Agreement and solely on equipment that complies with any equipment related specifications provided by Umpqua; copy and use the related documentation solely to support Customer's authorized use of the Umpqua Software; and copy any Umpqua Software actually delivered to Customer solely for archival or backup purposes.

Customer shall not export, re-export or otherwise transfer, directly or indirectly, any Umpqua Software and/or equipment, or any portion thereof, to any location inside or outside the United States without first notifying Umpqua and receiving written Umpqua authorization, as well as complying with all applicable laws and regulations (including those regarding import, export, marketing, distribution or use of software or equipment).

Customer will, at its expense, promptly execute and deliver such further documents and take any and all other actions reasonably requested by Umpqua from time to time, for the purpose of fully effectuating the intent and purposes of the license granted, and to protect the interests of Umpqua, its licensors, and their respective successors and assignees.

Customer acknowledges that violation of its commitments regarding any Umpqua Software may cause irreparable injury to Umpqua and/or its licensors, and agrees that Umpqua shall be entitled to obtain temporary, preliminary, and permanent injunctive relief in a court of competent jurisdiction, without the necessity of proving actual damages or posting a bond, to prevent such violation.

Customer acknowledges and agrees that its license to Umpqua Software and its documentation will terminate upon the earlier to occur of: (i) termination of the applicable Service, or (ii) termination of Umpqua's license to such software and documentation.

Customer shall not remove or alter any copyright, trademark, or other intellectual property or proprietary right notices, legends, symbols or labels appearing on or in the Umpqua Software, its documentation or any packaging thereof, and shall include on any copy of the software or its documentation any copyright, trademark, or other intellectual property or proprietary right notices contained on the original.

Customer will: (a) cooperate with Umpqua and its licensors to protect the Umpqua Software, including in connection with any lawsuits or disputes involving the Umpqua Software; (b) promptly notify Umpqua and provide Umpqua with relevant background and other facts upon becoming aware of any actual or potential claim made by a third party regarding infringement, misappropriation, imitation, illegal use or misuse, or reasonable likelihood thereof, of the Umpqua Software; and (c) in the event of any actual or potential infringement, misappropriation, imitation, illegal use or misuse, or reasonable likelihood thereof of the Umpqua Software by others: (i) grant to Umpqua and its licensors the sole right to determine the course of action regarding such infringement and to bring or defend any proceeding with respect thereto, and to settle, and collect any settlement amount or judgment for any such proceeding, and (ii) agree that Umpqua and its licensors shall be solely entitled to any proceeds of any such proceeding, including any settlement proceeds, insurance proceeds, arbitration award, judgment, or other consideration in any form.

Customer hereby assigns to Umpqua and/or its licensors, as directed by Umpqua, any rights, including any patent, copyright, trademarks, Service marks and trade secrets, which Customer may now have or which it may acquire at any time in the future in or to the Umpqua Software or the intellectual property rights to such software, and any other computer code using any of such software.

Customer will not at any time, either directly or indirectly, put to issue the scope, validity or ownership of Umpqua's or its licensors' intellectual property rights in the Umpqua Software and its documentation; do any act which could reasonably be expected to impair the scope, validity or ownership of such intellectual property rights, or assert any ownership rights to the Umpqua Software or its documentation. Customer acknowledges and agrees that these Terms and Conditions do not grant or convey to Customer: an interest in or to the Umpqua Software or its documentation, but only a limited right of use, revocable in accordance with the terms hereof; or any right, title, interest or license in or to any copyright, patent, trade name, trademark or Service mark of Umpqua or its licensors.

Customer will establish reasonable precautions and use commercially reasonable efforts, no less rigorous than those Customer uses to protect its own confidential information, to protect and maintain the confidentiality and security of the Umpqua Software and its documentation. Without limiting the generality of the foregoing, Customer will use reasonable measures to protect the Umpqua Software and its documentation from unauthorized copying, dissemination, disclosure or other unauthorized use.

Customer will not, and will not permit any third party to, copy or use the Umpqua Software or its documentation except as expressly authorized by these Terms & Conditions, sublicense, rent, distribute, transfer, publish, disclose, display or otherwise make available the Umpqua Software to others; use the Umpqua Software or its documentation for third-party training, commercial time-sharing or Service bureau use; or alter, change, modify or otherwise create derivative works of the Umpqua Software or its documentation.

Customer will not, and will not permit any third party to, reverse engineer, disassemble or decompile any Umpqua Software, except to the extent expressly permitted by applicable law. If Customer intends or begins to take any such action based on any applicable law, Customer shall notify Umpqua and Umpqua shall have the right to immediately terminate Services and/or the license to the Umpqua Software or its documentation.

Customer will maintain a complete and accurate list of all locations where Customer has loaded and maintains the Umpqua Software and its documentation, and make such lists available to Umpqua upon Umpqua's request.

Customer acknowledges and agrees that all right, title and interest in and to the Umpqua Software and its documentation, together with any modifications, enhancements and derivative works, and all intellectual property rights such as copyrights, patents, trademarks and trade secrets, pertaining to the Umpqua Software and its documentation, are and shall remain owned exclusively throughout the universe by Umpqua and its licensors, represent or contain valuable rights of Umpqua and its licensors, and are protected under United States patent, copyright, trademark and trade secret laws of general applicability. These Terms and Conditions do not create in Customer any rights to, and do not constitute an assignment of any rights of Umpqua or its licensors in and to, any copyrights, trademarks, trade secrets, patents, or other intellectual property rights of Umpqua or such licensors. Other than the license provided in these Terms & Conditions, no other license or interest in the Umpqua Software or its documentation, express or implied, is granted under these Terms & Conditions.

Customer will install the Umpqua Software in accordance with the related documentation provided by Umpqua, and will install and implement any changes and upgrades to the Umpqua Software as Umpqua may require, within 90 days of receipt of such change or upgrade, or within such shorter time frame as Umpqua may reasonably require if such change or upgrade is necessary to comply with statutory or regulatory changes or developments, or to protect the integrity and security of Services.

Spyware, Firewall, & Antivirus Protection

Customer shall secure all of its computers that are to be used in connection with Services hereunder, or which are connected on any network with any such computers. Such protection must include, without limitation, utilizing a computer firewall and running anti-virus and anti-spyware software. Customer may use any commercially available, industry recognized firewall, and any commercially available, industry recognized antivirus and anti-spyware software that detect and disinfect viruses and neutralize spyware automatically, without the need for Customer to prompt the scanning of files. Customer shall update its antivirus and anti-spyware software on a regular basis and in no event less often than once every month.

Service Unavailability

Access to Services may be unavailable without notice at certain times for reasons including the following:

- **Scheduled Maintenance:** there may be periods when Services and/or related systems are undergoing maintenance or upgrades. These typically occur after business hours.
- **Unscheduled Maintenance:** Services and/or related systems may be unavailable when unforeseen maintenance is necessary.
- **System events,** such as earthquakes, fires, floods, technical failures, telecommunications and internet Service provider disruptions, or electrical outages, may interrupt Service availability.

Although Umpqua will undertake reasonable efforts to promote the availability of Service, Umpqua will not be liable in any way for any unavailability or for any damage that may result from such unavailability.

Solicitation of Online Credentials

Umpqua is not now conducting, nor do we ever conduct, any email or Internet-based requests for Customers to supply their online Credentials for any accounts. Customer shall never reveal Credentials online to any individual, including to Umpqua employees.

Accounts at Other Banks

Customer authorizes any other institutions at which Customer maintains accounts which Customer has designated as being involved in Services to be provided hereunder to release all of such account information to Umpqua.

Telephone Recording

Customer consents on behalf of itself and its agents that Umpqua may monitor and record telephone conversations in which Umpqua is a party at any time without further notice to the other parties to such

conversations. The decision to record any such conversation shall be solely at Umpqua's sole discretion, and Umpqua shall have no liability for monitoring or recording or for failing to do so.

Transactions on Non-Business Days/Cutoff Times

Transactions, deposits, payment orders, entries or other requests by Customer received by Umpqua on a non-Business Day or after cutoff deadlines established by Umpqua, in its sole discretion, may be treated by Umpqua as received on the next Business Day. Umpqua may change any cutoff time or other deadline at any time. Umpqua will make a reasonable effort to notify Customer of any changes in advance.

Customer-initiated Transactions and Instructions

Umpqua will honor Customer's transactions and instructions (including adjustments, amendments and cancellations) only when Customer has complied with the TMS Agreement. Umpqua will be under no obligation to honor, either in whole or in part, any transaction or instruction that:

- Exceeds Customer's collected or available funds, on deposit with Umpqua, available through overdraft protection (available through Online Banking only), or otherwise;
- Umpqua has reason to believe may not be authorized by Customer;
- Involves funds subject to a hold, dispute or legal process preventing their withdrawal;
- Violates any law or regulation, or
- Umpqua has reasonable cause not to honor, for the protection of either Umpqua or Customer, or on any other good faith grounds.

Umpqua may elect, at its sole discretion, but shall not be obligated, to verify the authenticity or content of any instruction, transmission, or requested transaction by placing a call or electronic communication to any Authorized User or to any other person designated by Customer for such purpose, or by any other means in Umpqua's sole discretion. Umpqua may deny access to any Services or deny the processing of any instruction, transmission, or requested transaction without prior notice if Umpqua is unable to confirm to its satisfaction any such authenticity or content or if Umpqua believes such denial is appropriate for security reasons or on other good faith grounds, all in Umpqua's sole discretion and without any liability to Umpqua in relation to such denial.

Customer Records

The TMS Agreement and the performance of Service by Umpqua shall not relieve Customer of any obligation imposed by law or contract regarding the maintenance of records or from employing adequate audit, accounting and review practices as are customarily followed by similar businesses. Customer shall make reasonable efforts to retain and provide to Umpqua, upon request, all information necessary to remake or reconstruct any deposit, transmission, file or entry for thirty (30) days following receipt by Umpqua of the deposit, file, entry, transmission or other order affecting an account.

Review Period

Customer agrees to regularly and promptly review and verify all statements, reports, Check payment records, wire transfer instructions, confirmations, adjustments, charges, and other transactions. Customer shall, within a reasonable time, which in no event shall be greater than thirty (30) calendar days following the day Umpqua first mails or otherwise makes data available to Customer ("Review Period"), notify Umpqua of any error or discrepancy between Customer's records and any information Umpqua provides to Customer about its accounts or transactions (e.g., in a statement, confirmation, or electronic report) or any transaction or transfer Customer believes was not authorized. If Customer fails to notify Umpqua of such unauthorized transaction within the Review Period, Customer agrees that the failure to report any such errors or unauthorized transactions shall relieve Umpqua of any liability for the unreported erroneous or unauthorized transaction. In accordance with NACHA Rules, Customer must report an unauthorized ACH debit entry to Customer's account by the established deadline on the Business Day following the settlement date of the unauthorized entry. Otherwise, Customer's sole recourse is to the originator of the transaction.

Training

Customer will be responsible for training its Authorized Users in the use of the applicable Services, and for supervising and auditing such use.

Indemnity of Umpqua by Customer

Customer shall indemnify and hold Umpqua harmless against all Losses and Liabilities relating, directly or indirectly, to (a) the wrongful acts or omissions of Customer (b) breach by Customer of any provision, representation or warranty of the TMS Agreement, Account Agreement, or other agreement between Customer and Umpqua, (c) the negligence or willful misconduct (whether by act or omission) of Customer, (d) any misuse of any Services by Customer, (e) any modifications made by Customer to any Umpqua-supplied hardware or software, (f) Customer's failure to comply with applicable laws and regulations, or (g) any act or omission of Umpqua that is in accordance with the TMS Agreement or instructions from Customer. With respect to the foregoing, and with respect to all other indemnification and hold harmless provisions of the TMS Agreement, of any Account Agreement, and of any other agreements between Customer and Umpqua: (a) the indemnification and hold harmless provided to Umpqua shall be deemed to also provide such indemnification and hold harmless protections to Umpqua's subsidiaries, affiliates, licensors, subcontractors, and vendors (i.e. providers of Services to Umpqua), and the directors, officers, employees, owners, legal representatives, and agents of Umpqua, of Umpqua's subsidiaries and affiliates, and of Umpqua's licensors, subcontractors, and vendors.

Limitation of Umpqua's Liability

Umpqua's liability to Customer for any Losses and Liabilities suffered by Customer arising from or in connection with any Service, or otherwise arising under or in connection with this Agreement, shall be limited to willful misconduct or gross negligence by Umpqua and to the lesser of:

- Customer's actual loss;
- The total amounts paid by Customer to Umpqua for fees and charges for the Service resulting in the liability in the three (3) month period preceding the date the claim accrued; or
- Such lesser amount as may be set forth in these Terms and Conditions or any Service User Documentation.

UMPQUA MAKES NO WARRANTIES, EXPRESS OR IMPLIED, IN LAW OR IN FACT, INCLUDING WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE AND OF MERCHANTABILITY, EITHER TO CUSTOMER OR TO ANY OTHER PARTY WITH RESPECT TO THE SERVICES PROVIDED BY UMPQUA OR WITH RESPECT TO SOFTWARE PRODUCTS PROVIDED, OR MADE AVAILABLE TO THE CUSTOMER FOR ITS USE IN CONNECTION WITH THIS AGREEMENT AND ANY SERVICE.

Subject to the foregoing, Umpqua's liability relating to any Service shall be limited exclusively to actual proven damages arising directly from Umpqua's own gross negligence or willful misconduct. IN NO EVENT WILL UMPQUA OR ANY PROVIDER BE LIABLE FOR ANY SPECIAL, CONSEQUENTIAL, INCIDENTAL, INDIRECT, PUNITIVE OR SIMILAR LOSSES OR DAMAGES, WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, WHETHER THE LIKELIHOOD OF SUCH LOSSES OR DAMAGES WAS KNOWN TO UMPQUA OR ANY PROVIDER, AND REGARDLESS OF THE FORM OF THE CLAIM OR ACTION (INCLUDING ANY CLAIM OR ACTION ALLEGING GROSS NEGLIGENCE, WILLFUL MISCONDUCT, FAILURE TO EXERCISE REASONABLE CARE OR FAILURE TO ACT IN GOOD FAITH). In addition:

- Umpqua's maximum liability for loss of interest shall be calculated using a rate equal to the average Federal Funds rate at the Federal Reserve Bank of New York for the period involved.
- Notwithstanding the foregoing, Umpqua shall not be liable for any Losses and Liabilities caused, directly or indirectly, in whole or in part, (i) by the action or inaction of Customer, or of any agent or employee of Customer, whether or not such action or inaction constitutes negligence or a breach of this Agreement. (ii) by any inaccuracy or incompleteness in the input of any instruction or other communication by Customer; or (iii) by any modification, change or cancellation (or attempted modification, change or cancellation) by Customer of an Instruction.
- Umpqua shall not be liable for any Losses and Liabilities or delay caused by accident, strike, fire, flood, war, riot, act of terrorism, equipment breakdown, electrical or mechanical failure, acts of nature, legal constraint, interruption of transmission or communication facilities, pandemic event (which includes the fear of contracting an illness), emergency

conditions or other act of God, or any other cause which is attributable to a third party and is reasonably unavoidable or beyond Umpqua's reasonable control.

- Umpqua's Third Party Service Providers are expressly recognized as third-party beneficiaries.

Customer agrees that the fees charged for the performance of the Services shall be deemed to have been established in contemplation of these limitations of liability. Customer acknowledges that the reconstruction of events causing Customer to sustain damages becomes difficult and may be inaccurate more than one (1) year following the occurrence of such events. Therefore, Customer agrees that any claim, action, suit or proceeding against Umpqua for damages resulting in any respect from its acts or omissions in the performance of the Services must be brought within one (1) year from the date of Umpqua's alleged act or omission and Customer shall have no right to bring any such claim thereafter. However, if Oregon law does not allow time-barring of claims despite statute of limitations, then all claims, actions, suits or proceedings against Umpqua shall be brought within the shortest period of time which Oregon's laws allow for agreements limiting periods of time for the filing of suits. Customer agrees to immediately notify Umpqua of any claim by Customer, or any claim that is made to Customer by a third party that any act or omission by Umpqua in connection with any Service that has caused Customer or such third party to sustain any damages.

Customer agrees that in addition to other limitations on Umpqua's liability herein, Umpqua will not be liable for any Losses and Liabilities arising, directly or indirectly, in whole or in part from the following:

- Any inaccuracy or incompleteness in the input of any Communication by Customer;
- Any failure by Customer to obtain a confirmation of an order or instruction; or
- Any cancellation or attempted cancellation by Customer of an order or instruction.

Subject to the requirements of Section 624 of the Fair Credit Reporting Act, Customer authorizes Umpqua to share information with Umpqua's affiliates about Customer's accounts or Services for regulatory compliance, credit decision-making and administrative purposes and to facilitate the marketing of other Umpqua products or Services.

Customer acknowledges that Umpqua's agreement to provide Services based on the applicable fees shall be deemed to have been made in reliance upon all the terms of the TMS Agreement, including in particular the foregoing limitation of liability.

All disputes, claims and controversies between the parties, whether individual, joint or class in nature, arising from this Agreement or otherwise, including without limitation contract and tort disputes, shall be resolved by arbitration in accordance with the then effective arbitration rules of (and by filing a claim with) Arbitration Service of Portland, Inc., and judgment upon the award rendered pursuant to such arbitration may be entered in any court having jurisdiction thereof. Nothing herein shall preclude any party from seeking equitable relief from a court of competent jurisdiction. The statute of limitations, estoppel, waiver, laches and similar doctrines which would otherwise be applicable in an action brought by a party shall be applicable in any arbitration proceeding and the commencement of an arbitration proceeding shall be deemed the commencement of an action for these purposes. The Federal Arbitration Act shall apply to the construction, interpretation and enforcement of this arbitration provision. Any arbitration hearing shall be held in Eugene or Portland, Oregon, as selected by Umpqua in its sole discretion.

UMPQUA AND CUSTOMER HEREBY WAIVE TRIAL BY JURY IN ANY JUDICIAL PROCEEDING INVOLVING DIRECTLY OR INDIRECTLY, ANY MATTER (WHETHER IN TORT, CONTRACT OR OTHERWISE) IN ANY WAY ARISING OUT OF, RELATED TO OR CONNECTED WITH THIS AGREEMENT OR THE SERVICES OFFERED OR PROVIDED HEREUNDER.

Governing Law and Jurisdiction.

This Agreement and its interpretation and enforcement shall be governed by the laws of the State of Oregon (to the extent not preempted by federal law), and the copyright, patent, and trademark laws of the United States. Customer and Umpqua hereby consent and submit to the exclusive jurisdiction of any Oregon district federal court or any Oregon state court with respect to any litigation or arbitration arising out of or relating to this Agreement or its terms. This Agreement shall be deemed approved and made in the State of Oregon. Any judgment or order given by the courts located in the State of Oregon may be entered and docketed in any court where the Customer or Umpqua may be found for the purposes of enforcement of any such judgment.

Attorney's Fees

In the event of a dispute arising out of or relating to this Agreement, or in the event that arbitration, suit, or action is instituted to enforce or interpret the terms of this Agreement, the prevailing party in such arbitration, suit, or action, or on any appeal of such arbitration, suit, or action, shall be entitled to an award of his costs, disbursements, arbitration fees and reasonable attorney fees (including the fees of Umpqua's in-house attorneys calculated at hourly rates charged by attorneys in private practice with comparable skill and experience), as set by the arbitrator, trial court, or appellate court in which the matter is heard or decided, including reasonable attorney fees and the anticipated cost of collection of any judgment.

Adverse Claims

If Umpqua receives an adverse claim against any account, and Umpqua believes in its sole discretion that Umpqua will not be protected if the claim is ignored, Umpqua may place a hold on the account and Umpqua shall have no liability regarding such hold (including for dishonored transactions due to the hold or for Customer's inability to use the account), and Customer shall reimburse Umpqua all costs, including attorney fees, incurred due to such adverse claim.

Relationship Between Parties

The TMS Agreement will not be construed as creating an agency, partnership, joint venture, or any other form of association or fiduciary relationship between the parties. Except as expressly agreed by the parties in writing, neither party will have any right or authority, express or implied, to assume or create any obligation of any kind, or to make any representation or warranty, on behalf of the other party or to bind the other party in any respect whatsoever.

Third Party Service Providers

- **Third Party Networks.** Some Services are provided by Umpqua through access to a third party network. Such Services are dependent upon the availability of the third party network on conditions acceptable to Umpqua. Umpqua reserves the right to discontinue Services or provide Services through an alternative third party network and shall have no liability if the original or any replacement network becomes unavailable. Umpqua does not warrant and shall not be responsible for Services received by Customer from or through any third party network.

- **Third Party Vendors.** Some Services and/or computer equipment and software are provided to Customer by a third party vendor selected by Customer who is unaffiliated with Umpqua. In those cases, the third party vendor is acting as Customer's agent rather than Umpqua's agent, and Customer agrees to be bound by and responsible for such third party's acts and omissions to the same effect as if Customer had engaged in such acts and omissions. Umpqua does not warrant and shall not be responsible for Services provided by unaffiliated third party vendors. Customer authorizes Umpqua to disclose to any third party vendor information concerning Customer to the extent required to deliver the requested Service.

Force Majeure

No party shall be liable for any default or delay in the performance of its obligations or otherwise under the TMS Agreement if and to the extent such default or delay is caused, directly or indirectly, by: (i) fire, flood, elements of nature, or acts of God; (ii) any outbreak or escalation of hostilities, war, riot, terrorist act, or civil disorders in any country; (iii) any act or omission of the other party or any government authority; or (iv) failures or fluctuations in telecommunications or other equipment. In any such event, the non-performing party shall be excused from any further performance and observance of the obligations so affected only for as long as such circumstances prevail and such party continues to use commercially reasonable efforts to recommence performance or observance as soon as practicable. Notwithstanding the foregoing, nothing shall affect your payment obligations for Services we provide to you before such default or delay in the performance of our obligations under the TMS Agreement. Umpqua shall have no responsibility for transmitting Entries that would result in Umpqua: (a) exceeding its limitation on intra-day net funds position established by the Federal Reserve System; or (b) otherwise violating any provision of any present or future risk control program of the Federal Reserve System or any law or regulation of any other governmental or regulatory authority.

Notices

All written notices to Umpqua shall be delivered or mailed to the address designated by Umpqua. Notices sent to Customer shall be sent to Customer's current lead account address or other known address if deemed more appropriate by Umpqua in its sole discretion under the circumstances. Notices may be delivered to Customers electronically or by phone in Umpqua's sole discretion.

Severability

If any provision of the TMS Agreement is held to be invalid, illegal or unenforceable, such provision shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without rendering invalid, illegal or unenforceable the remainder of any such provision or the rest of the TMS Agreement, and such provision shall be deemed modified so as to make it valid, legal and enforceable in the manner as best advances the spirit of the TMS Agreement.

Waiver

Except as otherwise provided in the TMS Agreement, no part of the TMS Agreement or any breach thereof may be waived unless through a writing signed by the party against whom such waiver is to be enforced.

Assignment

Umpqua may at any time assign or delegate any or all its rights or obligations under the TMS Agreement to any other person or entity. Customer may not assign or delegate any or all its rights or obligations under the TMS Agreement to any other person or entity without Umpqua's written consent.

Except as otherwise provided to the contrary elsewhere in the TMS Agreement, the TMS Agreement may be amended by Umpqua from time to time upon thirty (30) days notice to Customer and any such amendment shall be effective on the effective date specified in the notice to Customer. Notices may be delivered to Customers electronically in Umpqua's sole discretion

Customer will comply with all applicable laws, rules and regulations

The captions contained in the TMS Agreement are for the convenience of the parties and shall not be construed or interpreted to limit or otherwise define the scope of the TMS Agreement. The word “including” shall mean “including, but not limited to.” The rule of construing ambiguities against the drafter shall not apply.

Counterparts

Any agreement or other document regarding any Services hereunder may be executed in one or more counterparts (by handwritten signature or electronically), each of which shall be deemed to be an original, such all of which shall constitute one and the same instrument.

Termination

Unless otherwise expressly stated in the Service-specific section of these Terms & Conditions, Services may be terminated by either party upon 30 days' prior written notice to the other party. Automated Clearing House (ACH)

1. General Terms and Compliance

Customer may initiate credit or debit Automated Clearing House transactions for payments (Credit Entries) and/or collections (Debit Entries) on Business Days to Customer's accounts or the accounts of others ("Receivers"). Umpqua will act as an ODFI regarding such Entries. Umpqua may process Entries directly, through an ACH Operator, or through another mechanism selected by Umpqua. Customer shall not initiate any Entry in violation of NACHA Rules or any applicable law or regulation, including Regulation E promulgated by the Federal Reserve Board and regulations promulgated by OFAC. A copy of the Corporate Edition of the NACHA Rules can be purchased from NACHA at www.NACHA.org. Customer agrees to obtain a copy, to understand and be familiar with the NACHA Rules, and to be responsible for keeping up to date with changes in the NACHA Rules. Customer agrees that information or advice received by Customer from Umpqua as to the NACHA Rules (including Part III A, B or C) or the operation of the NACHA Rules is not legal advice and is not a substitute for Customer's obligation independently to understand and comply with the NACHA Rules. If any provision of this TMS Agreement is inconsistent with the NACHA Rules, Customer shall comply with any applicable NACHA Rule(s) to the extent of the inconsistency and shall immediately notify Umpqua of that fact.

2. Entry Origination / Processing Dates / Deadlines

Customer's Entries must be initiated in the manner and format specified by Umpqua. Umpqua will establish a deadline for the receipt of Entries from Customer. Umpqua may establish different deadlines for Entries depending on the method of delivery employed by Customer and all such deadlines are subject to change by Umpqua. Umpqua must receive Customer's Entries before the applicable deadline or else they will not be processed until the next Business Day. Entries with Settlement Dates of more than thirty (30) calendar days from receipt will not be processed unless agreed to by Umpqua in writing.

Customer may not originate Entries using Standard Entry Class Codes other than CCD, CTX and PPD without prior written notice to and approval by Bank. Bank may require an application in form and content acceptable to Bank, and execution by Customer of such supplemental schedules, agreements and other documents as Bank may require, as a condition precedent to Customer's use of other Standard Entry Class Codes. By way of example, the foregoing restrictions and requirements may apply to Customer's use of Represented Check Entry (RCK), Automated Enrollment Entry (ENR), Accounts Receivable Entry (ARC), Back Office Conversion Entry (BOC), Customer Initiated Entry (CIE), Point-of-Purchase (POP), Internet-Initiated Web (WEB), International ACH Transactions (IAT), or Telephone-Initiated Entry (TEL) Standard Class Codes. If Customer is originating same day Entries, Customer will not submit Entries with the same Effective Entry Date, to any single transit routing and account number exceeding \$25,000.00. If Entries exceed \$25,000.00 to any account, the Entries will be converted to next available Business Day settlement.

3. Content

In submitting any Entry, Customer shall be responsible for providing all information required by Umpqua. Customer bears sole responsibility to verify that the information in Entries is authentic, accurate and conforms to NACHA Rules. Services hereunder are only designed to respond to information provided by Customer. Accordingly, any error (including any inaccuracy or incompleteness) or non-compliance in any information provided by Customer may result in payment or collection other than as intended by Customer. Umpqua shall bear no responsibility for detecting or reporting any error or non-compliance in any Entry or in any information otherwise supplied by Customer, and Umpqua shall not be liable to Customer or any third party for any such error or non-compliance.

4. Transmittal of Entries by Customer

Customer shall deliver to Umpqua via online Banking unless otherwise approved by Umpqua, in a format specified by Umpqua, an electronic transmission containing the names of all Receivers and their associated RDFIs, RDFI routing numbers, Receiver RDFI account numbers, and amounts to be credited to or debited from each account.

The total dollar amount of Customer's Entries shall not exceed the applicable limits as Umpqua may establish from time to time. Such limits may vary depending on various factors, including: (a) whether the Entries are credit or debit Entries; (b) the Standard Entry Class Code (as defined by the NACHA

Rules) for the Entries; and (c) whether Customer's account is required to be pre-funded. Limits may be established for daily amounts and across other time lines. Limits may be amended, reduced, modified or otherwise changed at any time, with or without cause or prior notice to Customer. Limits, and any changes to them, will be communicated by Umpqua to Customer via a communication, which may be electronic or paper.

5. Processing, Transmittal and Settlement by Umpqua

Provided Customer complies with the TMS Agreement, including the transmittal requirements of Section 4 above, Umpqua shall: (i) process Entries received from Customer that comply with NACHA Rules, (ii) transmit such Entries as an ODFI to the ACH Operator, (iii) settle such Entries as provided in NACHA Rules, and (iv) credit or debit the Receiver's account in the amount of such Entry on the Effective Entry Date. Umpqua shall transmit such Entries to the ACH Operator on or before one Business Day before the Effective Entry Date shown in such Entries, provided that the Effective Entry Date is at least one day after such Business Day, and the ACH Operator is accepting Entries on such Business Day. Entries shall be deemed received by Umpqua when the transmission is made in accordance with the TMS Agreement. Umpqua will not be liable for any acts or omissions of any third parties involved in the processing of Entries, including the ACH Operator.

6. Settlement

Customer shall pay Umpqua the amount of each Credit Entry transmitted by Umpqua. Customer shall reimburse Umpqua the amount of each Debit Entry that has been returned by an RDFI. Payment of Credit Entries shall be made as of the Settlement Date. Customer authorizes Umpqua to debit the accounts at the opening of business on the applicable Settlement Date in the amount of each Entry. Umpqua may, without prior notice or demand, obtain payment of any amount due and payable to it under the TMS Agreement by debiting the accounts, and shall credit the accounts for any amount received by Umpqua by reason of the return of an Entry transmitted by Umpqua for which Umpqua has previously received payment from Customer. Customer shall at all times maintain a balance of available funds in the accounts sufficient to cover Customer's obligations under the TMS Agreement. If there are insufficient available funds in the accounts to cover Customer's obligations under the TMS Agreement, Umpqua may: (a) debit any account that Customer has at Umpqua; or (b) set off against any amount it owes to Customer. Customer acknowledges that, under NACHA Rules, payment of an Entry by an RDFI to the Receiver is provisional until receipt by the RDFI of final settlement for such Entry. If such final settlement is not received, the RDFI shall be entitled to a refund from the Receiver of the amount credited and Customer shall not be deemed to have paid the Receiver the amount of the Entry.

7. Settlement Account

Unless otherwise permitted by Umpqua in writing, at Umpqua's sole discretion, Customer must maintain an account at Umpqua for ACH settlement.

8. Customer Representations and Warranties

As to each Entry, Customer represents and warrants that: (i) Customer is authorized to make the Entry on the Effective Entry Date; (ii) the Entry is valid and has been completed in accordance with all requirements of the TMS Agreement, including in compliance with NACHA Rules; (iii) Customer has sufficient collected, non-contingent funds in the account to accommodate the Entry; (iv) the Entry is not initiated for any personal, family or household purposes; (v) if the Entry is a Debit Entry, no third party has a defense, right of offset, or counterclaim against such Entry; and (vi) Customer shall allow the ODFI to audit its compliance with the NACHA Rules and the terms of this Agreement.

9. Authorized Entries

If an Entry received by Umpqua purports to have been transmitted or authorized by Customer, it will be deemed effective as Customer's Entry and Customer shall be obligated to pay Umpqua the amount of such Entry as provided herein even though the Entry was not authorized by Customer, provided Umpqua had no actual knowledge that the Entry was unauthorized by Customer. If Umpqua has actual knowledge that an Entry is unauthorized by Customer, but Umpqua has insufficient time to cancel such Entry, the Entry shall be deemed effective as Customer's Entry and Customer shall be obligated to pay Umpqua the amount of such Entry as provided herein. If an Entry received by Umpqua was transmitted or authorized by Customer, Customer shall be obligated to pay the amount of the Entry as provided herein, whether or not that Entry was erroneous in any respect.

10. ACH Redeposit Service

If requested by Customer, Umpqua may, but shall not be obligated to, reinitiate a Debit Entry returned for insufficient or uncollected Funds. Umpqua shall also have the right to reinitiate such an Entry absent such a Customer request.

11. International ACH Transactions (“IATs”)

Umpqua will facilitate IAT Credit or Debit Entries to Receivers located in foreign countries approved and facilitated by the ACH Operator. Customer acknowledges that the completion of Credit or Debit Entries to or through a foreign country may or may not occur and the results of such Entries may be different from those experienced through the domestic system and Customer accepts those risks. Customer specifically bears the risk for any fluctuation in foreign exchange rates and any fees that may be imposed in or by the foreign country. Customer also bears the risk of returned Entries for a period of twelve (12) months from the Settlement Date. Customer also agrees that IAT entries may not be dishonored, reversed, or settled upon a specific date, and that the return of non-settled Entries from foreign countries are subject to the laws and regulations within that country and NACHA Rules. Umpqua is not responsible for the transmission or settlement of Entries on foreign holidays or other days in which foreign countries may not process Entries. IAT Credit or Debit Entries are not eligible for same day ACH processing. Customer is responsible for complying with OFAC regulations regarding payments to and from individuals and entities.

12. Health Savings Accounts

If Customer is using the Services regarding employer contributions to Health Savings Accounts, Customer acknowledges that the use by the Customer of Entries containing certain identifying codes in discretionary data fields for purposes of identifying employer contributions to Health Savings Accounts will be acknowledged only when Umpqua: (a) has agreed to acknowledge such codes in writing; (b) has accepted the proposed codes in writing; and (c) is the Receiving Depository Financial Institution of the Entry at issue. Such codes shall have significance only to Umpqua and to the Customer, and shall have no significance when Umpqua is not the RDFI.

13. Pre-notification

To the extent required by NACHA Rules, Customer shall send pre-notification that it intends to initiate an Entry to a particular account in accordance with the procedures provided by NACHA Rules and by Umpqua. The pre-notification can be returned or result in a Notification of Change. If the pre-notification is returned, Customer shall research the problem and make any necessary corrections before transmitting another Entry. If the pre-notification results in a Notification of Change, Customer shall make the required change before initiating another Entry, or issue a Refused Notification of Change as outlined in NACHA Rules.

14. Prefunding ACH Entries

We generally debit your account on the Settlement Date for Credit Entries (including Debit Reversals), unless you are prefunding your Entries. “Prefunding” means that you are required to pay for all credit Entries before the settlement date as we may specify. We may, at our discretion, without prior notice to you, require Prefunding before we process your credit Entries. We are not obligated to process any credit Entries, even if we have done so in the past, without having first been paid by you, but, if we do, the amount is immediately due and payable without notice or demand.

Upon initiation of prefunded Entries, Umpqua is authorized to charge Customer’s account(s) in the total amount of such Entries. Funds received by Umpqua for this purpose shall be held in an account owned and controlled by Umpqua until the relevant Settlement Date. Customer acknowledges and agrees that such funds are held solely for the benefit of Umpqua and that Customer will not be entitled to earn any interest thereon.

15. Rejected, Returned, and Unauthorized Entries

Receiver authorizations shall authorize Umpqua to transmit corrective entries to Receiver’s accounts to correct a prior Entry and shall authorize Customer to release to Umpqua all information concerning its Receivers that is required by Umpqua to recover such Entries. Customer shall immediately cease initiating Entries upon receiving actual or constructive notice of the termination or revocation of a

Receiver's authorization. Customer will retain each authorization received by Customer for such period of time as may be required by NACHA Rules or applicable law or regulation and shall provide Umpqua with copies of such authorizations upon request. Umpqua may reject any Entry that is not initiated in accordance with the TMS Agreement. If an Entry is rejected, or returned by an ACH Operator, for any reason whatsoever, it shall be Customer's responsibility to remake the Entry. Umpqua is authorized to debit or credit the account for Entries that are returned to Umpqua. Customer shall not be entitled to interest on the amount of any returned Entry debited from the account. A Receiver may, in some cases, have the right to have an unauthorized or erroneous Debit Entry credited to its account. Umpqua may deduct the amount owing to the Receiver from Customer's account upon Umpqua's receipt of proper notice of such crediting from the Receiver. Umpqua may charge back against Customer any Debit Entry that is returned or reversed. Except for rejected Entries that are resubmitted to Umpqua in compliance with the TMS Agreement, Umpqua shall have no obligation to retransmit a rejected or returned Entry.

16. Cancellation, Amendment or Reversals by Customer

Customer shall have no right to cancel or amend any Entry after it is received by Umpqua. However, if Umpqua elects to act on a request by Customer to cancel or amend an Entry before transmitting it to the ACH Operator or, in the case of an On-Us Entry, before crediting a Receiver's account, Umpqua shall have no liability if such cancellation or amendment is not affected. Customer acknowledges that Umpqua will act upon or respond to any requested or attempted Entry reversals in accordance with NACHA Rules.

17. Inconsistency of Name and Account Number

If an Entry describes the Receiver inconsistently by name and account number, payment of the Entry transmitted by Umpqua to the RDFI might be made by the RDFI (or by Umpqua in the case of an On-Us Entry) on the basis of the account number even if it identifies a person or entity different from the named Receiver, and Customer's obligation to pay the amount of the Entry to Umpqua shall not be excused in such circumstances. Customer shall indemnify and hold Umpqua harmless against all Losses and Liabilities relating, directly or indirectly, to the processing by an RDFI of an Entry in which the Receiver is described inconsistently by name and account number.

18. Indemnification

Customer shall indemnify and hold Umpqua harmless against any NACHA or ACH Operator fines or fees and all Losses and Liabilities relating, directly or indirectly, to any breach of by Customer or by Customer's agents of the TMS Agreement (whether a breach of representation, warranty, or covenant), or relating to Customer's or Customer's agent's negligence or willful misconduct.

Automated Clearing House (ACH) Blocks and Filters

With the ACH Blocks and Filters Service, Customer will provide us with authorization criteria for ACH Entries Customer desires to receive for debit or credit to Customer's account. We will automatically return any Entry which does not meet Customer's authorization criteria. If ACH Blocks and Filters is terminated for any reason, we will no longer be obligated to monitor Entries against your authorization criteria.

1. ACH Blocks

Until such time as Customer has requested, in writing, that Umpqua remove a block on any ACH transaction, any person or entity identified by the Customer on the Service Application will not be permitted access to Customer's account for purposes of ACH transactions, whether debit or credit. Umpqua shall have no liability or other obligation to Customer regarding any refusal to honor or refusal to otherwise permit ACH transactions originated by any such persons. Customer understands and agrees that, as between Customer and Umpqua, it is Customer's sole responsibility to notify Umpqua, in writing, of any changes to the ACH transactions Customer has requested Umpqua to block and to not post, as either debits or credits, as the case maybe, to Customer's account.

Customer shall indemnify and hold Umpqua harmless against all Losses and Liabilities relating, directly or indirectly, to, Customer's use of the ACH Filter and/or ACH Block Service, including any relating to delay in posting of credits to or debits from Customer's account, any losses, late fees, collection charges, holds on accounts, or loss of good will, or harm to Customer's reputation, with its suppliers, vendors, business partners, or other persons or entities.

2. ACH Filters

If applicable, Umpqua is hereby authorized to permit those entities identified by the Customer on the Service Application to access Customer's deposit account for purposes of ACH transactions, both debits and credits. Customer hereby grants permission and authorizes Umpqua to update any and all information on the ACH Filter Service for items that are generated internally by Umpqua. Except for an obligation to report ACH activity to Customer, Umpqua shall have no liability or other obligation to Customer regarding such permitted ACH activity in Customer's deposit account. Customer understands and agrees that, as between Customer and Umpqua, it is Customer's sole responsibility to notify Umpqua, in writing, of any change to the ACH transactions Customer has requested Umpqua to list as authorized. Customer further understands and agrees that, by using the ACH Filter Service, any ACH transactions received from an originator, whether a debit or credit to Customer's account, that does not meet the transaction criteria identified herein, or the criteria of any "Authorized" ACH transactions Customer has previously requested be added to the authorized profile, which have not expired, and those which may hereafter be added to the authorized profile, will be automatically returned to the originator.

Customer stipulates (i) that it is not currently engaged in any of the above precluded activities while using Cash Vault Services, and (ii) that it will not engage in any of these activities while using Cash Vault Services without first notifying Umpqua in writing. Customer may not resell Cash Vault Services to its own customers.

InstaVaultSM Service

Umpqua offers its InstaVaultSM Service in connection with Umpqua's Cash Vault Services. The customer utilizes a smart safe to manage currency deposits at its sites. The deposit activity is transmitted to bank for further credit to the customers designated account.

1. Provisional Expedited Credit Deposit

For certain units of safes provided by vendors, in each case, acceptable to Umpqua (collectively, the "Equipment"), Umpqua will provide provisional expedited credit to Customer for the cash properly deposited into the Equipment's currency acceptors and may charge Customer a fee for such expedited credit. Following Umpqua's receipt of a transmission report from any unit of Equipment stating the amount of currency inserted into the Equipment's currency acceptors (each, a "Safe Report"), Umpqua will provide provisional expedited credit to an account maintained by Umpqua (each, an "Account") and designated by Customer in total amount set forth in such Safe Report. Credits will only be applied on Umpqua's Business Days in accordance with the Setup Form. For purposes of clarification, currency and other items inserted using the manual envelope drop of the Equipment will not receive provisional expedited credit, and will be processed and credited in accordance with the standard cash vault deposit processing procedures.

2. Independent Contractor

As conditions to Umpqua's provision of its InstaVault Service, Customer (i) will have a valid and binding agreement with a vendor, acceptable to Umpqua, for the provision of the Equipment (such agreement, a "Vendor Agreement"), (ii) agrees that such Equipment must be suitable and compatible, in Umpqua's sole discretion, for the InstaVault Service, and (iii) will use the Equipment in accordance with the terms and provisions in the Vendor Agreement and as instructed by Umpqua as necessary from time to time for use of the Equipment in connection with the InstaVault Service. Customer acknowledges that Umpqua is not providing the Equipment and has no obligation or liability whatsoever with respect to the Equipment or any Service related thereto other than the InstaVault Service.

3. Deposit Verification

If the aggregate amount of the items processed and verified for a Safe Report is less than that reported for such Safe Report, Umpqua may debit the applicable Customer account without notice to Customer. If such Customer account has insufficient funds to cover the debit, Umpqua may debit any of Customer's other accounts with Umpqua for the difference, and Customer agrees to promptly reimburse Umpqua for the difference (or any portion thereof) upon demand by Umpqua, without setoff or counterclaim. If the aggregate amount of the items processed and verified for a Safe Report is more than that reported on such Safe Report, Umpqua will credit the applicable account for the difference without notice to Customer. In addition, if Customer's Vendor Agreement provides any guarantees or

other protection for the contents of the Equipment including but not limited to cash deposited through the currency acceptors, Umpqua reserves the right to require Customer to file a claim with such vendor before making any claim against Umpqua .

Controlled Disbursement Services

1. Background

Umpqua offers controlled disbursement Services to enable Customer to automate disbursement and fund only the amount needed for that day's disbursements. Checks drawn on the Controlled Disbursement Account are presented for payment through the Federal Reserve System early each day. Umpqua receives a transmission of the Check information through the Federal Reserve System and then extracts the necessary data to provide Customer with notification of the disbursement amount for the day.

2. Disbursement Account

If requested by Customer and agreed to by Umpqua, Customer will open and maintain a demand deposit account ("Disbursement Account") at a financial institution specified by Umpqua ("Disbursing Bank"), which may be Umpqua or another financial institution, and a primary funding account ("Funding Account") at Umpqua. The Disbursing Bank may be a financial institution that is unaffiliated with Umpqua, a subsidiary or affiliate of Umpqua or Umpqua itself. Umpqua reserves the right to require Customer to use Umpqua's Positive Pay Service in conjunction with the use of a Disbursement Account. The Funding Account and the Disbursement Account shall be governed by the TMS Agreement regardless of whether or not the Disbursing Bank is affiliated with Umpqua. Customer hereby authorizes and directs Umpqua to act on its behalf and as its agent, as Umpqua in its sole discretion deems advisable, in performing any of the controlled disbursement Services and related Services. If the Disbursing Bank is not a Umpqua subsidiary or affiliate, Customer expressly authorizes Umpqua to obtain access, from time to time, to all records of the Disbursement Account from the Disbursing Bank. Customer hereby authorizes Umpqua to disclose to Disbursing Bank such information concerning Customer as Umpqua may deem appropriate. The Funding Account and the Disbursement Account (if at Umpqua or a Umpqua subsidiary or affiliate) shall also be governed by the Account Agreements. Any inconsistency between the TMS Agreement and the Account Agreements shall be governed by the TMS Agreement, but only regarding the subject treasury management Services.

3. Report of Incoming Debits

Disbursing Bank shall, on each Business Day, inform Umpqua of the total aggregate amount ("Total Clearings") of all debits, including Checks, Image Exchange Items, and Image Replacement Documents (Items), net of adjustments and other charges, which are charged to the Controlled Disbursement Account. Umpqua will make reasonable efforts to make this information available to Customer each Business Day. If, for any reason, Disbursing Bank does not provide Umpqua with such information, the Total Clearings for such day shall be estimated by Customer. For purposes of controlled disbursement Services, "Business Day" shall mean any day that is a Business Day for both Umpqua and Disbursing Bank.

4. Funding Procedures

Customer agrees to maintain sufficient collected balances in the Funding Account to fund the Total Clearings. Umpqua is hereby authorized to debit the Funding Account in an amount equal to the actual or estimated Total Clearings and to transfer funds in such amount to Disbursing Bank for credit to the Disbursement Account. Umpqua reserves the right to convert the Disbursement Account into a standard prepaid checking account at any time with or without notice to Customer. On the Business Day preceding any day on which Disbursing Bank will be open to conduct its regular Banking business but Umpqua will be closed, Umpqua is hereby authorized to debit the Funding Account in an amount equal to an estimate of the following day's Total Clearings and to transfer funds in that amount to Disbursing Bank for credit to the Disbursement Account. Any discrepancies between the amount of Items electronically reported and the amount of Items actually presented will be reconciled not later than the following Business Day.

5. Daily Dollar Limit

A daily dollar limit ("Dollar Limit") may be established from time to time by Umpqua regarding the Disbursement Account in Umpqua's sole discretion. Disbursing Bank shall have no obligation to pay Items in excess of the Dollar Limit. Umpqua may, in Umpqua's sole discretion, at any time, either verbally or in writing, notify Customer of any change made by Umpqua in the Dollar Limit. Establishment of the Dollar Limit should not be interpreted as any commitment by Umpqua to provide any credit or

loans, nor as a commitment to debit the Funding Account when doing so would create a negative balance therein.

6. Unavailable Funds

At its sole discretion, Umpqua may advance funds to cover all or part of the Daily Clearings. In addition to any fees, Customer agrees to pay to Umpqua any amount so advanced on demand plus interest at a per annum rate equal to the normal lending rate paid by Customer on its loans from Umpqua, or Umpqua's Prime Rate plus three percent (3%). Prime Rate as defined herein is the rate that Umpqua defines as its Prime Rate from time to time, and is not necessarily the lowest rate extended by Umpqua to any particular Customer or class of Customers. Umpqua is also authorized to transfer funds from any account Customer maintains at Umpqua to fund the Total Clearings. Nothing in this section shall limit Umpqua's right to return any Item unpaid if there are insufficient available funds to reimburse Umpqua for the Item.

7. Special Circumstances

Customer acknowledges that Umpqua may at times be unable to provide a report of the total amount of its Total Clearings early enough for Customer to make a complete and acceptable funding of the accounts. Customer nevertheless agrees to fund the Funding Account completely by using an estimate of the Total Clearings.

8. Action Affecting Accounts

If Umpqua or Disbursing Bank receives any process, summons, order, injunction, execution, levy, lien, garnishment, or adverse claim notice (either by a governmental authority or third party) ("Process"), which Umpqua or Disbursing Bank reasonably believes will adversely affect the Funding Account and the Disbursement Account, Umpqua may, at its option and without liability, refuse to honor orders to pay or withdraw sums from any Disbursement Account and may either hold the Funding Account balance herein until such Process is disposed of to the satisfaction of Umpqua or pay the balance over to the source of the Process in accordance with applicable law.

9. Return of Items Unpaid

Umpqua reserves the right, in Umpqua's sole discretion, to instruct Disbursing Bank to return unpaid any or all Items presented for payment against the Disbursement Account in the event that:

- There are insufficient collected and available balances on deposit in the Funding Account by the established deadline to fund the Total Clearings;
- Debits cannot be posted because the Disbursement Account or Funding Account is frozen, blocked, closed or because of any other condition; or
- Any communications failure or other condition prevents Umpqua from monitoring Customer's Dollar Limit and/or the Items presented for payment at Disbursing Bank.

10. Stop Payment Orders

Customer may issue stop payment orders on Items drawn on the Disbursement account in accordance with the terms of Umpqua's and Disbursing Bank's rules and regulations.

Courier Services

Courier Services are offered by Umpqua for Customers who require ground transportation for the pick-up, transportation and delivery of non-cash Banking transactions to Umpqua locations other than a cash vault. Umpqua will provide a third party courier to provide the transportation Services on Customer's behalf.

1. Prohibited Tenders

Customer acknowledges that Courier Services are not an armored delivery Service and agrees to tender check-only deposits to the courier. Customer shall not tender any currency, securities, documents, Items, or other things which cannot be reconstructed or duplicated. Customer agrees to assume any and all risk of loss associated with tendering through the Courier Service cash or anything else that cannot be reconstructed or duplicated.

2. Agents

Umpqua may, from time to time, use any third party or agent to receive Customer's tenders and to deliver them to Umpqua. Umpqua will provide Customer with instructions for contacting the courier to arrange receipt and delivery of Customer's tenders to Umpqua designated locations.

3. Packaging

Customer shall place all deposits in a clear poly deposit bag with appropriate security features, securely sealed, and properly addressed, with the completed deposit slip on top.

4. Deposit Processing

Umpqua is authorized to open the bag and process the contents in accordance with Umpqua's normal procedures and any applicable availability schedules. All deposits shall be subject to verification and adjustment by Umpqua. Umpqua's verification shall be deemed correct and binding upon Customer absent manifest error. If Umpqua discovers a discrepancy between the contents of the bag and the deposit slip, Umpqua will process and deposit the contents, and complete an adjustment ticket, which will be sent to Customer. Customer will maintain an account at Umpqua for the receipt of deposits in accordance with the TMS Agreement, the Account Agreement, and any other applicable agreement between Customer and Umpqua.

5. Reconstruction

Customer shall maintain a complete and accurate listing of the tenders. Customer shall cooperate with Umpqua and/or any courier in the notification, identification, and replacement of any damaged, lost or destroyed tenders, including requests by Customer to the makers of checks to issue duplicates. Customer shall notify Umpqua of any damaged, lost or destroyed tenders no later than sixty (60) days following the day they were tendered to the courier. Umpqua shall have no obligation to research any damaged, lost or destroyed tenders if Customer fails to notify Umpqua within the prescribed time.

6. Delivery of Deposits

Deposits delivered by the courier after Umpqua's deadline for the receipt of deposits, may, at Umpqua's sole discretion, be held and credited to Customer's account, the next Business Day.

Lockbox Services

Lockbox Service Requirements

Umpqua may agree to provide Lockbox Services to assist customers in expediting receipt of checks and other payment instruments ("Remittances"). If so, Customer will have its customers or clients forward items to a special post office box designated by Umpqua ("Lockbox"). Prior to initiation of any Lockbox Service, Customer must establish and maintain a demand deposit account with Umpqua. Some Lockbox Services are common to all Lockbox customers and some are optional.

Customer authorizes Umpqua to use Providers (which, for purposes of the Lockbox Services may include other banks, financial institutions and third parties, and their subcontractors) to provide any one or more of the Lockbox Services to Customer. Customer authorizes Umpqua to act (such as opening accounts and providing instructions) as Customer's agent and on its behalf with Providers as necessary or appropriate to do so. Wherever under this Agreement Customer authorizes Umpqua to take action or inaction, such authorization shall also serve as authorization for a Provider to take such action or inaction. At Umpqua's option, Umpqua may use a commingled account at a Provider and process as agent for Customer and for others through the commingled account, or Umpqua may establish a separate account for Customer at a Provider and process as Customer's agent through the separate account. Umpqua's responsibility for Providers and liability for action or inaction by a Provider is limited as set forth in the Terms and Conditions. The liability of Umpqua and of Providers is limited as set forth in the Terms and Conditions.

1. Relation to Deposit Account

Customer understands and agrees that the Agreement covers the Lockbox Service and does not cover the handling or the processing of checks drawn on any accounts Customer may have with Umpqua. Except as modified by the Agreement, Remittances processed through the Lockbox remain subject to the terms and conditions of the Deposit Agreement. (For example, Customer remains subject to its obligations on Remittances to the same extent as would be the case if checks were delivered by Customer to Umpqua for direct deposit to an account with Umpqua, and items returned to Umpqua or a Provider after Lockbox processing may be charged against Customer's account in the same manner as set forth in that Deposit Agreement.)

2. User Documentation and Access Agreement for Electronic Images

If approved by Umpqua, Customer may access electronic images of Remittances received at the Lockbox.

Customer agrees to the terms of the Electronic Lockbox Image User Guide, as well as to those of such other User Documentation as may be provided or made available to Customer.

3. Confidentiality

Umpqua will use due care to protect the integrity and confidentiality of the Database, information and documents related to Customer and its payors that come into Umpqua's possession as a result of providing Lockbox Services. Customer agrees that Umpqua will have exercised due care if Umpqua implements normal procedures for safeguarding the confidentiality of customer information and (where practicable) obtains similar undertakings from Providers.

Umpqua does not divulge or communicate to any third party not involved in the provision of Lockbox Services any information concerning such Database, information and documents except in furtherance of providing the Lockbox Services, as required or authorized under applicable law, if directed by an Authorized Person or as otherwise set forth in Umpqua's privacy policies.

Except with prior notice to and approval by Umpqua, Customer shall ensure that protected health information is not provided to Umpqua and that the provision of Lockbox Services does not result in Umpqua being deemed a "business associate" or otherwise subject to the Health Insurance Portability and Accountability Act (HIPAA). At Customer's sole expense, Customer shall provide to Umpqua such assistance as Umpqua may request should Umpqua's provision of the Lockbox Service subject Umpqua to any compliance obligations under HIPAA or otherwise under medical privacy Law, Rule or Regulation.

4. Processing Remittances and Remittance Materials

Customer authorizes Umpqua to endorse Remittances in Customer's name. Customer authorizes Umpqua to open the envelopes and determine whether they contain any Remittances, Remittance statements, invoices, correspondence, checks, cash, papers, documents or other items. If cash is sent to the Lockbox with any materials sent to the Lockbox ("Remittance Materials"), the cash will be removed from the envelope containing the Remittance Materials and a credit advice for the amount of the cash will be placed in such envelope with the remainder of the envelope's contents. Customer authorizes Umpqua to rent the Lockbox at the appropriate postal facility, to have custody of the keys or combinations and unrestricted and exclusive access to such box, and to collect the mail therein to be processed by Umpqua as agreed by the parties. All of Umpqua's out-of-pocket costs, such as post office box rental, postage, exchange and non-par check charges shall be charged to Customer.

Umpqua shall process Remittances in accordance with following procedures:

- At enrollment each Lockbox is assigned, at Umpqua's discretion or that of a Provider, a cutoff time dependent on the Lockbox Processing Procedures. The cutoff time assigned dictates when on a Business Day the last USPS mail is opened, all Remittances are encoded and deposited and when images and transmission files are available.
- In processing Remittances and Remittance Materials, Umpqua will follow the processing procedures set forth in the Lockbox Service User Documentation.

If any payee on the list of acceptable payees delivered to Umpqua pursuant to the Processing Procedures is a legal entity other than Customer, Customer represents and warrants to Umpqua and its Providers that Customer has the proper authorization from such payee (a) to have such check endorsed for deposit, and deposited, into the applicable account; and (b) for Umpqua and any Provider(s) to perform Lockbox Services under this Agreement for such acceptable payee. Customer agrees to indemnify Umpqua and its Providers, along with their officers, employees, agents, representatives and subcontractors (individually and collectively, the "Indemnified Parties") against, and hold the Indemnified Parties harmless from, any Losses and Liabilities incurred by any of the Indemnified Parties as a result of, or in connection with, Umpqua's or any Provider's failure to have such authorization. The indemnification set forth in this Section shall be in addition to, and not in lieu of, indemnification and other rights of Umpqua under the Terms and Conditions.

5. Proprietary Rights

Umpqua or its Provider possesses all proprietary rights to written materials, including without limitation, all computer programs provided in relation to the Lockbox Services, any processing system, tapes, listings, and other documentation originated and prepared by Umpqua or its Providers ("Confidential Information"). Customer will notify Umpqua if Customer knows or suspects that there is any unauthorized disclosure, possession or use or knowledge of any Confidential Programs or Information. Customer shall not disclose, copy, transfer, sublicense, or otherwise make available to any person or entity, or duplicate, sell, or use the Confidential Information in any manner not authorized under this Service Description ("Unauthorized Use") without the prior written consent of Umpqua. Customer will cooperate with Umpqua to recover possession of and to prevent further Unauthorized Use of Confidential Information if there is Unauthorized Use.

6. Collections

Unless otherwise agreed, while Customer receives Lockbox Services, all collected funds held in the account shall be deemed to be Customer's funds for all purposes, including adjustment, attachment, set-off, security interests, execution, garnishment and other forms of legal process. The crediting and collection of items will be handled under the same agreement as applied to other commercial deposits. Remittance Materials shall be provided to Customer as agreed to by Umpqua.

7. Reconciliation

Except as otherwise specifically provided, Umpqua will not reconcile the checks, cash or other Remittances in the envelopes to invoices, to Remittance statements, or to any other documents or papers in the envelopes or elsewhere.

8. Statements; Notice of Discrepancy

Customer agrees to notify Umpqua: (a) no later than ten (10) calendar days after Customer receives an advice of deposit if there is any error in such advice, and (b) no later than fifteen (15) calendar days after Customer receives a bank statement on the applicable account if such statement contains an error or fails to show a deposit that should have been made during the time period covered by such statement. If Customer fails so to do, then Customer shall be precluded from asserting such error or failure, and the advice or statement shall be deemed to be accurate as to any claims by Customer (but shall not preclude later adjustment by Umpqua).

Umpqua may, without prior notification, make amendments to any document. Umpqua owns or has obtained all proprietary rights to the documents and Customer agrees not to duplicate, distribute or

otherwise copy Umpqua's documents without Umpqua's prior written consent. Any document will at all times remain the property of Umpqua and Umpqua reserves the right to request Customer to return all printed copies of such manual within thirty (30) days of termination of the Services.

- **Customer Responsibilities**

Customer will purchase (from Umpqua, in some cases) and provide all equipment and software necessary to use the applicable System in accordance with this agreement. Umpqua shall have no responsibility and makes no warranties for such equipment or software. - Any inaccuracy or incompleteness in the input of an order or instruction from Customer;
- Any failure by Customer to obtain a confirmation of an order or instruction; or
- Any cancellation or attempted cancellation by Customer of an order or instruction.

4. Accuracy and Timeliness of Information

Umpqua will use reasonable efforts to provide the information requested through the Services in a prompt fashion, but shall not be liable for temporary failure to provide timely information. In such event, Customer shall be responsible for carrying out Banking business through alternative delivery channels. Umpqua shall not be liable for any inaccurate or incomplete information with respect to transactions which have not been completely processed or posted to Umpqua's system prior to being made available pursuant to the Services. Information with respect to all transactions is provided solely for Customer's convenience, and Customer shall have no recourse to Umpqua as to use of such information.

5. Electronic Mail

Within the Services is a "secure Email" Service that may be used to transmit electronically sensitive information from Customer to Umpqua. Customer agrees that Umpqua may take a reasonable period of time to act on any message. 6. Electronic Transmissions and Instructions

Customer may elect to send or receive instructions or reports from Umpqua related to the Services via electronic means, including, without limitation, facsimile transmission, voice mail, unsecured e-mail, pager or other electronic or telephonic methods ("Electronic Transmission"). Customer acknowledges that such Electronic Transmissions are an inherently insecure communication method due to the possibility of error, delay and observation or receipt by unauthorized personnel. Umpqua may rely in good faith on Customer's instructions regarding how and to what number or e-mail address Electronic Transmissions should be sent and may rely on any Electronic Transmission that it reasonably believes to have been initiated by Customer. Should Customer elect to send or receive Electronic Transmissions to or from Umpqua, Customer assumes all risks, and Umpqua shall not be liable for any loss that results from the non-receipt, disclosure or alteration of any such Electronic Transmission.

WITHOUT LIMITING THE FOREGOING, UMPQUA DOES NOT WARRANT THAT THE OPERATION OF ANY WEBSITE WILL BE UNINTERRUPTED OR ERROR FREE. Your use of these Account Reconciliation Services or our receipt of information associated with these Account Reconciliation Services does not modify any existing Umpqua obligations with respect to your account(s) or the payment of checks.

10. Wire Transfers

• Funds Transfer (Wire) Agreement

Pursuant to the separate Wire Transfer section of this Agreement, Customer authorizes Umpqua to transfer funds of Customer between any accounts of Customer at Umpqua when requested to do so in an instruction by Customer or any Authorized User to Umpqua. Any such transfer shall be in an amount not to exceed any limit established by Umpqua from time to time. To the extent of any inconsistency between the Funds Transfer (Wire) Agreement and this Agreement, this Agreement shall govern.

• Procedures

Funds will be transferred in accordance with mutually-agreed upon security procedures. Such procedures are solely for the purpose of verifying the origination (but not errors in transmission or content) of wire transfer orders. Customer agrees that any such procedures are commercially reasonable. If a wire transfer order received by Umpqua purports to have been transmitted or authorized by Customer and Umpqua has acted in compliance with such procedures, then such wire transfer order shall be deemed effective, and Customer shall be obligated with respect thereto.

• Priority

Umpqua in its sole discretion may execute wire transfers in any order convenient to Umpqua. Umpqua shall not be liable for failure to execute any wire transfer order for which Customer has not provided Umpqua with complete information or which would violate this Agreement, or any other agreement between Customer and Umpqua. Customer shall submit wire transfer orders to Umpqua prior to the daily cut-off time established by Umpqua from time to time. Any wire transfer order received by Umpqua after its daily cut-off time may be processed on the next Business Day. Customer assumes responsibility for verifying availability of funds at the time of wire transfer orders.

• Multiple Transfers

If more than one wire transfer is made at or about the same time and the available funds in the applicable account do not cover all of such wire transfer orders, Umpqua at its option may execute as many of such wire transfer orders as possible within the dollar limits of such available funds, in any order convenient to Umpqua.

11. Stop Payments

- Customer may maintain certain deposit accounts with Umpqua on which it draws paper-based payment orders ("Checks"). From time to time, Customer may request, as a part of the Services, Umpqua to stop payment of a Check ("Online Stop"). Customer will initiate stop payment in accordance with the specifications established by Umpqua. *Customer acknowledges and*

understands that the stop payment procedure outlined herein does not apply to payments made pursuant to the Business Online Banking Business Bill Payment Service.

- **Stop Payment Orders**

A stop payment placed by Customer using the Services shall be considered to be “in writing” for all legal purposes. Customer will not receive written confirmation of an order placed using this Service. Unless the time frame is otherwise modified by Umpqua from time to time, which Umpqua reserves the right to do, a stop payment order shall remain effective for twelve (12) months unless Customer removes the order before it expires.

- **Customer Responsibilities**

Customer is responsible to ensure that only those persons authorized by Customer to use this Service shall have access to the system and that those persons use it only in the manner authorized. Umpqua shall incur no liability for any damages caused by such unauthorized use. Customer is also responsible for ensuring that all orders contain accurate information, including, without limitation, the accurate name to which the Check is made payable, the Check number, the account number and the exact amount of the Check. Customer shall be liable to Umpqua for any damages or claims arising out of Umpqua’s refusal to pay a Check on which Customer has placed a stop, or paying any Check on which: (a) Customer has released the order; (b) the order has expired; (c) the order has been improperly or inaccurately entered in the Online Stops system; or (d) the order has not been entered in a timely manner. Customer is solely responsible for determining whether a Check has been paid prior to initiating a stop payment order. Customer acknowledges that placing a stop payment order on a Check may not relieve Customer’s obligations on the Check or the underlying obligation.

- **Umpqua’s Responsibilities**

Umpqua will exercise good faith and ordinary care in implementing Customer’s instructions under the stop payment system. Should Umpqua inadvertently pay a Check, or permit a transaction over a valid stop payment order, Customer is required to prove that a direct loss has been suffered and, if so, the amount of such loss. If Umpqua determines that it is legally obligated to credit the account, and in fact does so, Umpqua shall have all of Customer’s rights and remedies against the payee or the beneficiary of the transaction and Customer agrees to cooperate and assist Umpqua in its effort to collect the amount of the Check or transaction.

12. Inactivity

Customer is responsible for complying with all the terms of this Agreement and with the terms of the agreement governing the Umpqua accounts which you access using electronic Banking Services. Umpqua can terminate electronic Banking privileges under this Agreement without notice if Customer does not pay any required fee when due, comply with this Agreement or the agreements governing the deposit accounts or the deposit account is not maintained in good standing. If Customer is not paying a monthly Service charge for Service, after 120 consecutive days of inactivity or any other time period of inactivity as deemed appropriate by Umpqua from time to time, this Service may be automatically terminated without further notice. If this Service has been terminated, Customer will need to register again, if this Service is desired.

Each of Customer's accounts at Umpqua, which are accessed by these Services, continues to be governed by the applicable Account Agreement as it may be amended from time to time.

1. System and Hardware Requirements

In addition to the system requirements specified in the Terms & Conditions, Customer's system must be equipped with a supported version of Adobe Acrobat Reader. Online statements are delivered in Portable Document Format ("PDF").

Customer agrees they will have access to a computer with an Internet connection at Customer's cost that will support Customer's ability to view statements and electronic notices online and to receive email alerts. If a change in hardware or software is needed to access or retain information being provided to Customer in electronic form, we will alert Customer via email of any revised hardware or software requirements for such access or retention. Customer will have the right to withdraw consent and un-enroll from the Online Statement Service at that time with no cost to Customer.

2. Eligibility

Customer must be enrolled in select Online Banking Services to receive this Service. Ask your Umpqua representative for availability. Any online checking, savings or money market account is eligible for online statements.

3. Frequency

Customer's statement will be available at the same frequency as the previously mailed statement. Statements will be generally available at all times, day or night, seven days a week, except from time to time for scheduled maintenance or unscheduled Service impacting events.

4. Content

Customer's online statement will look like the paper statements Customer receives by mail, and will include front and back images of Customer's paid Checks.

5. Notification

Notice of new statement availability is provided by system alerts within Online Banking. To receive notice, Customer must sign on to Online Banking to access messages. Customer acknowledges that the Online Banking alert notice will constitute delivery of the periodic statement and disclosures, whether or not Customer views the notice or views or prints the online statement.

6. E-mail Address

In order to ensure we are able to provide important notices and other information from time to time, Customer must update the Service with any change in e-mail address. If we receive multiple notices that an email sent to Customer's address of record is undeliverable, we may at our sole discretion elect to un-enroll Customer from the Business Online Statements Service.

7. History

Customer will have access to view their current statement as well as statement history for up to 18 months.

8. Fees

Online Statements Service with Check images is provided free of charge to applicable Online Banking Customers.

9. Line of Credit

If Customer receives a combined checking and line of credit statement online, Customer will also receive a line of credit statement by mail. This ensures Customer has the appropriate MICR (Magnetic Character Ink Recognition) encoded coupon with which to make a payment.

10. Legal Notices

In addition to Customer's monthly statement, notices that would normally be included in the envelope with Customer's paper statement such as privacy policy, rules & regulations, fee schedules and dispute resolution notices will be provided electronically through Customer's Online Banking Service. However, other notices such as overdraft and non-sufficient funds notifications or responses to claims of electronic funds transfer (EFT) errors will continue to be sent via regular mail.

11. Closed Accounts

If Customer closes an account, the account will no longer be available for viewing online, and your final account statement will be produced via paper and mailed to Customer at the address of record. Customer may request a copy of a current or previous statement be mailed to Customer at the applicable fee.

Business Bill Pay

The following terms and conditions apply to the Business Bill Pay Service ONLY. The Business Bill Pay Service is made available through Business Online Banking.

1. Payment Scheduling

Transactions begin processing four (4) Business Days prior to your Scheduled Payment Date. Therefore, the application will not permit you to select a Scheduled Payment Date less than four (4) Business Days from the current date. When scheduling payments you must select a Scheduled Payment Date that is no later than the actual Due Date reflected on your Payee statement unless the Due Date falls on a non-Business Day. If the actual Due Date falls on a non-Business Day, you must select a Scheduled Payment Date that is at least one (1) Business Day before the actual Due Date. Scheduled Payment Dates should be prior to any late date or grace period.

2. Service Guarantee

Due to circumstances beyond the control of the Service, particularly delays in handling and posting payments by Payees or financial institutions, some transactions may take longer to be credited to your account. The Service will bear responsibility for any late payment related charges up to \$50.00 if a payment posts after its Due Date as long as the payment was scheduled in accordance with the guidelines described under "Payment Scheduling" in these Terms and Conditions.

3. Payment Authorization and Payment Remittance

By providing the Service with names and account information of Payees to whom you wish to direct payments, you authorize the Service to follow the Payment Instructions that it receives through the payment system. In order to process payments more efficiently and effectively, the Service may edit or alter payment data or data formats in accordance with Payee directives.

When the Service receives a Payment Instruction, you authorize the Service to debit your Payment Account and remit funds on your behalf so that the funds arrive as close as reasonably possible to the Scheduled Payment Date designated by you. You also authorize the Service to credit your Payment Account for payments returned to the Service by the United States Postal Service or Payee, or payments remitted to you on behalf of another authorized user of the Service.

The Service will use reasonable efforts to make all your payments properly. However, the Service shall incur no liability and any Service Guarantee shall be void if the Service is unable to complete any payments initiated by you because of the existence of any one or more of the following circumstances:

- If, through no fault of the Service, your Payment Account does not contain sufficient funds to complete the transaction or the transaction would exceed the credit limit of your overdraft account;
- The payment processing center is not working properly and you know or have been advised by the Service about the malfunction before you execute the transaction;
- You have not provided the Service with the correct Payment Account information, or the correct name, address, phone number, or account information for the Payee; and/or,
- Circumstances beyond control of the Service (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and the Service has taken reasonable precautions to avoid those circumstances.

Provided none of the foregoing exceptions are applicable, if the Service causes an incorrect amount of funds to be removed from your Payment Account or causes funds from your Payment Account to be directed to a Payee which does not comply with your Payment Instructions, the Service shall be responsible for returning the improperly transferred funds to your Payment Account, and for directing to the proper Payee any previously misdirected transactions, and, if applicable, for any late payment related charges.

4. Payment Methods.

The Service reserves the right to select the method in which to remit funds on your behalf to your Payee. These payment methods may include, but may not be limited to, an electronic payment, or an electronic to check payment.

5. Payment Cancellation Requests

You may cancel or edit any Scheduled Payment (including recurring payments) by following the directions within the application. There is no charge for canceling or editing a Scheduled Payment. Once the Service has begun processing a payment it cannot be cancelled or edited, therefore a stop payment request must be submitted.

6. Stop Payment Requests

The Service's ability to process a stop payment request will depend on the payment method and whether or not a check has cleared. The Service may also not have a reasonable opportunity to act on any stop payment request after a payment has been processed. If you desire to stop any payment that has already been processed, you must contact Customer Care at 800-650-7141. Although the Service will make a reasonable effort to accommodate your request, the Service will have no liability for failing to do so. The Service may also require you to present your request in writing within fourteen (14) days. The charge for each stop payment request will be the current charge for such Service as set out in the applicable fee schedule.

7. Prohibited Payments

Payments to Payees outside of the United States or its territories are prohibited through the Service.

8. Exception Payments

Tax payments and court ordered payments may be scheduled through the Service; however such payments are discouraged and must be scheduled at your own risk. In no event shall the Service be liable for any claims or damages resulting from your scheduling of these types of payments. The Service Guarantee as it applies to any late payment related charges is void when these types of payments are scheduled and/or processed by the Service. The Service has no obligation to research or resolve any claim resulting from an exception payment. All research and resolution for any misapplied, misposted or misdirected payments will be the sole responsibility of you and not of the Service.

9. Bill Delivery and Presentment

This feature is for the presentment of electronic bills only and it is your sole responsibility to contact your Payees directly if you do not receive your bills. In addition, if you elect to activate one of the Service's electronic bill options, you also agree to the following:

Additionally, the ability to receive a paper copy of your bill(s) is at the sole discretion of the Payee. While your electronic bill feature is being activated it is your responsibility to keep your accounts current. Each electronic Payee reserves the right to accept or deny your request to receive electronic bills.

Notification - The Service will use its best efforts to present all of your electronic bills promptly. In addition to notification within the Service, the Service may send an e-mail notification to the e-mail address listed for your account. It is your sole responsibility to ensure that this information is accurate. If you do not receive notification, it is your responsibility to periodically sign on to the Service and check on the delivery of new electronic bills. The time for notification may vary from Payee to Payee. You are responsible for ensuring timely payment of all bills.

Cancellation of electronic bill notification - The electronic Payee reserves the right to cancel the presentment of electronic bills at any time. You may cancel electronic bill presentment at any time. The timeframe for cancellation of your electronic bill presentment may vary from Payee to Payee. It may take up to sixty (60) days, depending on the billing cycle of each Payee. The Service will notify your electronic Payee(s) as to the change in status of your account and it is your sole responsibility to make arrangements for an alternative form of bill delivery. The Service will not be responsible for presenting any electronic bills that are already in process at the time of cancellation.

Non-Delivery of electronic bill(s) - You agree to hold the Service harmless if the Payee fails to deliver your bill(s). You are responsible for ensuring timely payment of all bills. Copies of previously delivered bills must be requested from the Payee directly.

Accuracy and dispute of electronic bill - The Service is not responsible for the accuracy of your electronic bill(s). The Service is only responsible for presenting the information we receive from the Payee. Any discrepancies or disputes regarding the accuracy of your electronic bill summary or detail must be addressed with the Payee directly.

These Terms and Conditions do not alter your liability or obligations that exist between you and your Payees.

10. Service Fees and Additional Charges

Any applicable fees as shown in an applicable fee schedule or otherwise will be charged regardless of whether the Service was used during the billing cycle. There may be a charge for additional transactions and other optional Services. You agree to pay such charges and authorize the Service to deduct the calculated amount from your designated Billing Account for these amounts and any additional charges that may be incurred by you. Any fees associated with your standard accounts will continue to apply. You are responsible for any and all telephone access fees and/or Internet Service fees that may be assessed by your telephone and/or Internet Service provider.

11. Failed or Returned Transactions

In using the Service, you are requesting the Service to make payments for you from your Payment Account. If we are unable to complete the transaction for any reason associated with your Payment Account (for example, there are insufficient funds in your Payment Account to cover the transaction), the transaction will not be completed. In some instances, you will receive a return notice from the Service. In such case, you agree that:

- You will reimburse the Service immediately upon demand the transaction amount that has been returned to the Service;
- For any amount not reimbursed to the Service within fifteen (15) days of the initial notification, a late charge equal to 1.5% monthly interest or the legal maximum, whichever rate is lower, for any unpaid amounts may be imposed;
- You will reimburse the Service for any fees imposed by your financial institution as a result of the return;
- You will reimburse the Service for any fees it incurs in attempting to collect the amount of the return from you; and,
- The Service is authorized to report the facts concerning the return to any credit reporting agency.

12. Address or Banking Changes

It is your sole responsibility to ensure that the contact information in your user profile is current and accurate. This includes, but is not limited to, name, address, phone numbers and email addresses. Changes can be made either within the application or by contacting Customer Care. Any changes in your Payment Account should also be made in accordance with the procedures outlined within the application's Help files. All changes made are effective immediately for scheduled and future payments paid from the updated Payment Account information. The Service is not responsible for any payment processing errors or fees incurred if you do not provide accurate Payment Account or contact information.

13. Service Termination, Cancellation or Suspension

If the Service is terminated by you or by Umpqua, any payment(s) the Service has already processed before the termination will be completed by the Service. All Scheduled Payments including recurring payments will not be processed once the Service is terminated. We may terminate or suspend Service to you at any time. No termination or suspension shall affect your liability or obligations under these Terms and Conditions.

14. Payee Limitation

The Service reserves the right to refuse to pay any Payee to whom you may direct a payment. The Service will notify you promptly if it decides to refuse to pay a Payee designated by you. This notification is not required if you attempt to make a prohibited payment or an exception payment under these Terms and Conditions.

15. Returned Payments

In using the Service, you understand that Payees and/or the United States Postal Service may return payments to the Service for various reasons such as, but not limited to, Payee's forwarding address expired; Payee account number is not valid; Payee is unable to locate account; or Payee account is paid in full. The Service will use reasonable efforts to research and correct the returned payment and return it to your Payee, or void the payment and credit your Payment Account. You may receive notification from the Service.

Payroll Card Services

Umpqua's Payroll Card Services allow Customer access to and use of the Employer Card website for the purpose of setup, issuance, loading, and management of Cards to be issued to participating Customer employees ("Participating Employees") to receive compensation for work performed by Participating Employees of the Customer, in lieu of Customer's issuance of paper payroll checks to Participating Employees.

References to Card Usage include references to such usage whether through physical presentment at a Point of Sale ("POS") or Automated Teller Machine ("ATM"), providing the card number over the phone, through the internet or otherwise, and/or using the Card's Personal Identification Number ("PIN") , whether such usage is made by you or someone you allow to make such usage.

1. **Acceptance**

By accessing or using the Service, you agree to be bound by these Terms and Conditions, as well as any other agreements, disclosures, rules, or notices relating to the Service as may be posted on the Bank's website or otherwise made available to you, as applicable, and as amended from time to time. If you do not agree to be so bound, you must not access or use the Service. Use of the Card after the effective date of any such agreement, disclosure, rules, or notices constitutes acceptance of the same.

2. **Ownership**

The Service is property of Umpqua. We may revoke your right to use the Service at any time, with or without cause and with or without notice.

3. **Use of the Service**

Subject to the Agreement, Umpqua will provide the Service to Customer and Customer may offer the Card to each of its employees. Customer shall not require any employee to use the Card if such requirement is legally prohibited. To each Participating Employee, the Bank will issue a Visa-branded Card, per the instructions provided by the Customer in accordance herewith, through which Customer may transfer funds to the Participating Employee as provided herein.

5. **Customer Warranties**

Customer warrants to Umpqua as follows.

- At the time of each Participating Employee's enrollment, Customer will provide to each Participating Employee a Bank-specified registration package containing Bank's Cardholder Agreement, Privacy Disclosure and such other documents as Umpqua may specify. Such materials must be prepared by Umpqua or, if prepared by or on behalf of Customer, must be approved in writing by Umpqua in advance.
- At the time of each Participating Employee's enrollment, Customer will obtain from each Participating Employee a signed enrollment form, in the form originally provided by or approved in writing by Umpqua, and will ensure that all of the information requested on the enrollment form has been provided and is correct. Customer shall retain the completed enrollment form, together with any other documents or information required by Bank to verify the identity of the Participating Employee, for as long as the Participating Employee retains a Card and for seven (7) years thereafter.
- At the time of each Participating Employee's enrollment and/or in conjunction with Customer's administration of its Human Resources policies, Customer has correctly identified each Participating Employee, and each employee's participation is in compliance with all laws, including, without limitation, all laws relating to money laundering or the prevention of terrorism.
- Customer will not designate as Participating Employees, nor maintain as Participating Employees, any persons who are not Customer's bona fide current employees.
- Customer understands that the Service is a funds distribution Service only. Customer is solely responsible for compliance with all applicable federal, state and local laws, rules and regulations relating to payroll, compensation and employment matters, including, without limitation, as applicable (A) federal and state wage and hour laws; (B) proper withholding and timely remittance

of any and all taxes related thereto (e.g., local, state and federal income, payroll or social security taxes); and (C) delivery of pay stubs and similar payroll information to Participating Employees.

- Customer will appropriately segregate duties between individuals responsible for ordering cards for Participating Employees and individuals responsible for submitting ACH payroll files.

6. Issuance of Cards

Customer will enroll its Participating Employees via the Service or by such other method as may be mutually agreed between Customer and Umpqua in writing. On the basis of such entry, Umpqua will issue a Card to each Participating Employee. Bank reserves the right, in its sole discretion, to decline to issue a Card to any of Customer's employees, or to suspend or revoke any Card at any time. If Umpqua issues a Card to any of Customer's Participating Employees who is a minor, customer will be responsible for any losses that Bank may incur as a result of that Participating Employee's asserting his or her minority as a defense in order to avoid paying any amounts due to Umpqua with respect to the Card.

7. Delivery of Card with Cardholder Agreement

Each Card issued to a Participating Employee will be accompanied by a URL link to the Bank's website where the most recent version of the Cardholder Agreement (including, without limitation, the fee schedule) governing the Participating Employee's use of the Card is available. Umpqua may change the Cardholder Agreement, including, without limitation, the fees to be imposed on Participating Employees, at any time, as provided in these Terms and Conditions. Umpqua generally will deliver each Card directly to the Participating Employee by mail based on the delivery information for the Participating Employee supplied by Customer Card. If Umpqua is unable to deliver a Card to any Participating Employee, Umpqua will notify Customer of the non-delivery and Customer shall obtain current delivery information from the Participating Employee and provide such current information immediately upon Customer's receipt of it. Customer shall be responsible for any Losses and Liabilities Umpqua may incur as a result of Customer's failure to originally or subsequently provide Umpqua with accurate delivery information on any Participating Employee.

8. Transfer of Funds

Umpqua shall not be responsible to Customer or to any Participating Employee if Umpqua is unable to complete a requested ACH transfer of funds to or from any Participating Employee at the time or in the manner Customer requested as a result of Customer's failure to supply Umpqua with the funds, transfer instructions or any other information required to complete the requested transfer, or if Umpqua does not complete a requested transfer after Customer is no longer authorized to use the Service or after a Participating Employee is no longer employed by Customer.

9. Confirmation of Participating Employee Receipt of Card

Customer must confirm receipt of the requested Card with each Participating Employee before initiating any funds transfer to that Participating Employee's Card. If Customer fails to confirm this receipt of the Card, Customer will be responsible for the Participating Employee's inability to access any funds transferred to the Card and for all fraud or other Losses and Liabilities that Bank incurs in connection with any unauthorized use of funds transferred to that Card.

10. Use of Cards

Each Participating Employee may access or use the funds available on his or her Card at ATM terminals owned by Bank or owned by a network in which Umpqua is a participant and at the teller of any bank displaying the VISA logo. Customer agrees that (i) funds loaded onto a Participating Employee's Card become the property of that Participating Employee and are maintained by Umpqua in a Bank pooled account established for the purpose of receiving transfers from its Card customers to fund their employee Card, and will be accounted for in a limited-purpose, stored-value subaccount for each Participating Employee; (ii) neither Customer nor any Participating Employee will be paid interest on funds that are loaded onto a Participating Employee's Card; and (iii) Umpqua is authorized to transfer funds from each Participating Employee's Card subaccount in accordance with any instructions received from the terminals or any bank displaying the VISA logo, and to pay the amount of any such transfer, plus any fees charged in connection with the transfer, to the appropriate party or parties. Bank will not be responsible for any Participating Employee's inability to access funds on a Card at any time when the Card's balance is temporarily subject to reissuance and/or transfer to another card or account due to Customer no longer being authorized to use the Service or due to Participating Employee no longer being employed by Customer.

11. Customer's Use of Third-Party Payroll Processing Vendor

If Customer has entered or enters into an agreement with a third party vendor providing a payroll processing Service ("Vendor"), Customer will entrust Customer employee payroll information to be used in connection with the Cards to Vendor, and Umpqua is entitled to conclusively rely on any such information provided to it by Customer's Vendor, as if it were provided directly to Umpqua by Customer. Customer shall maintain sufficient collected funds in a designated payroll account to cover its net payroll obligations for the Cards ("Payroll Account"). Customer authorizes Umpqua to transfer funds from time to time from Customer's Payroll Account to Umpqua's Card pooled account to correspond with the amount to be loaded onto the Cards of Customer's Participating Employees, as directed by Customer or by Vendor on behalf of Customer. Umpqua's Card pooled account shall be the internal account at Umpqua from which Cards, including Cards issued to employees of Umpqua customers other than Customer, will be paid. Bank may charge any of Customer's accounts with Bank if, for any reason, the funds transferred from Customer's Payroll Account to Umpqua's Card pooled account are insufficient to cover Customer's Card payroll as reported by Customer or by Vendor on Customer's behalf. Umpqua's sole obligation to Customer or any third party for any claims arising out of errors or omissions in the Services rendered by Umpqua shall be to attempt, in good faith, to have Customer or Vendor furnish correct payroll information, reports or other data, and to notify Customer or Vendor, as the case may be, to correct its computer data files, provided that Customer or Vendor on Customer's behalf, advises Umpqua of any error or omission prior to Customer's next regular Card payroll processing. Customer acknowledges that Umpqua will have no obligation to maintain records or other means whereby it can reproduce Customer's payroll, reports or data.

Customer is responsible to ensure that only its Authorized Representatives have access to the Service and that those persons use it only in the manner authorized by Customer. Umpqua shall incur no liability for any damages caused by any unauthorized use. Customer is also responsible for ensuring that all Card payroll transfer information related to the amounts to be loaded on Customer's Cards contain accurate information, including, without limitation, the accurate name to which the payroll transfer is payable, the Card number or Bank Card pooled subaccount number and the exact amount of the payroll transfer.

12. Bank's Duties

The extent of Umpqua's duties under this Service is, subject to the limitations of liability and other terms hereof, to transfer funds from time to time from Customer's Payroll Account to Umpqua's pooled Card account to be loaded on to the Cards of Customer's Participating Employees pursuant to the information and authorization from Customer or Vendor as set forth above. Umpqua shall not be responsible for the accuracy of any information produced by either Customer or Vendor or for the accuracy of the completed transfers to (loading of) Cards based on information provided by Customer or Vendor. Nothing contained herein shall be deemed to relieve Customer of any duty that may be imposed by state or federal law on Customer, including, without limitation, any laws requiring Customer to maintain records regarding its employees and their employment. Nothing contained herein shall be construed to imply that a joint venture or partnership is created between Customer, Umpqua and/or any other person or entity, including, without limitation, any Vendor.

13. Lost, Stolen or Destroyed Card

If Customer becomes aware that a Card has been lost, stolen or destroyed, Customer shall advise the affected Participating Employee to report the lost, stolen or destroyed Card to Umpqua in accordance with the procedures set forth in the Cardholder Agreement. After the Participating Employee reports the loss, theft or destruction of his or her Card in accordance with the Cardholder Agreement, a "hot card" designation will be placed against the lost, stolen or destroyed Card, the Participating Employee's balance will be transferred to a new Card subaccount, and a replacement Card will be issued to the Participating Employee, provided, however, Umpqua may condition the issuance of a replacement Card upon its receipt of any affidavits, declarations or other documents Bank determines are reasonable in order to verify or confirm that the Card has actually been lost, stolen or destroyed. Customer may also contact Umpqua to report a lost, stolen or destroyed Card it becomes aware of but, until the affected Participating Employee reports the loss, theft or destruction of his or her Card in accordance with the Cardholder Agreement, the Customer's report will result only in the placement of a "hot card" designation on the Card in question and the transfer of the Participating Employee's balance out of the lost, stolen or destroyed Card subaccount, but not the issuance of a replacement Card.

Upon receipt of any report from Customer and/or an affected Participating Employee of a lost, stolen or destroyed Card, Umpqua will exercise good faith and ordinary care in implementing policies and procedures described above. If Umpqua inadvertently permits a withdrawal or a transaction on the affected Card after a proper report by the affected Participating Employee, but prior to its termination and replacement, or fails to correct or reverse an ACH transfer properly requested by Customer, Customer is required to prove that a direct loss has been suffered by it and, if so, the amount of such loss, before Customer shall be entitled to receive a credit to its Payroll Account. If Umpqua determines that it is legally obligated to credit the Customer's Payroll Account, and in fact does so, Bank shall have all of Customer's rights and remedies against the Cardholder and Customer agrees to cooperate and assist Umpqua in its effort to collect the amount of the withdrawal or transaction.

14. Transfers From Customer Payroll Account to Bank Prepaid Card Pooled Account

- Customer authorizes Umpqua to transfer funds of Customer from the designated Payroll Account of Customer at Umpqua when requested to do so in an instruction by Customer to Umpqua.
- Funds will be transferred in accordance with mutually-agreed upon security procedures. Such procedures are solely for the purpose of verifying the origination (but not errors in transmission or content) of funds transfer orders. Customer agrees that any such procedures are commercially reasonable. If a funds transfer order received by Umpqua purports to have been transmitted or authorized by Customer and Umpqua has acted in compliance with such procedures, then such funds transfer order shall be deemed effective, and Customer shall be obligated with respect thereto.
- Umpqua in its sole discretion may execute funds transfers in any order convenient to Bank. Umpqua shall not be liable for failure to execute any funds transfer order for which Customer has not provided Bank with complete information or which would violate these Terms and Conditions or any other agreement between Customer and Umpqua or any applicable law. Customer shall submit funds transfer orders to Umpqua prior to the daily cut-off time established by Umpqua from time to time. Any funds transfer order received by Umpqua after its daily cut-off time may be processed on the next banking day. Customer assumes responsibility for verifying availability of funds at the time of funds transfer orders.
- If more than one funds transfer is made at or about the same time and the available funds in the applicable Card Payroll Account do not cover all of such funds transfer orders, Umpqua at its option may execute as many of such funds transfer orders as possible within the dollar limits of such available funds, in any order convenient to Umpqua.

15. ACH Funds Transfers

- If agreed to by Umpqua, Customer may initiate ACH Credit Entries to its Payroll Account in accordance with Umpqua's security procedures, and other relevant provisions of the Agreement, including, without limitation, all of the provisions regarding the ACH Services.
- If Customer initiates ACH Credit Entries through a Vendor or other third-party provider, such Vendor or other third-party provider is the agent of Customer and not of Umpqua. If Customer uses a Vendor or other third-party provider, Customer shall be deemed to have authorized Umpqua to follow the instructions of such Vendor or other third-party provider to the same extent and under the same conditions as would apply if the instructions came direct from Customer and Customer shall be responsible for insuring that such Vendor or other third-party provider and Customer fully comply with the ACH Rules, as now existing or hereafter amended, applicable to third-party providers, including "third-party senders," and with these Terms & Conditions. Umpqua is not responsible for the acts or omissions of any such Vendor or other third-party provider and Customer agrees to be liable for and hold Umpqua harmless from, any Losses and Liabilities caused by the acts or omissions of the Customer's Vendor or other third-party provider.
- Customer is responsible for any transfers initiated by Customer or a Vendor, including, without limitation, any underpayment, overpayment, or disputed amount.

Positive Pay Services

Positive pay Services ("Positive Pay") are offered by Umpqua as an effective way to manage the risk of loss from fraudulent Item issuance or payment. Our Positive Pay Services allow you to identify Exception Items, as having the meaning of Section 3 herein, by reviewing electronic images of Exception Items and to instruct us whether to pay or return those Items. In addition, you may establish Automated Clearing House (ACH) transaction rules to monitor ACH Items.

On each Business Day, we will provide you a report of Items presented to us for payment on the prior Business Day which have been identified as Exception Items based on information you have provided to us. Exception Items are determined by comparing Items presented to us (either by other depository institutions or, where applicable, for cashing at one of our branches) with lists of Items issued or cancelled by you which you transmit electronically to us each Business Day by the time specified in the applicable user documentation. Alternatively, you may choose an option under which we report all Items presented for payment, in which case we will treat all such Items as Exception Items.

On the same day we report Exception Items to you, you must notify us, by the deadline specified in the applicable user documentation, which Items you want us to pay or which to dishonor and return. If you fail to notify us by the deadline, we will handle the Exception Items in accordance with the prescribed default procedure established by you. Where required, you will indicate which Items you want us to return, having been deemed by you to be fraudulent. Our deadlines, default procedures and procedures for acknowledging pay and return requests are described in the applicable User Documentation.

1. Format Specifications

Customer shall comply with Umpqua's format and data transmission standards for Positive Pay Services. Customer agrees to issue Items in accordance with Umpqua's specifications and will change Item format when requested to do so by Umpqua. Umpqua shall not be responsible for correcting or resolving processing problems caused by substandard quality magnetic encoding. When requested, Customer shall supply Umpqua with sample Items for quality testing.

2. Information

Customer will provide Umpqua with a file of all outstanding Items before activation of the Positive Pay Services. On each day that an Item is written against an account, Customer shall supply Umpqua with all required Item information before the deadline established by Umpqua, which deadline may be changed by Umpqua from time to time, including the account number, the issue date, the Item number, and the face amount of the Item. All information provided to Umpqua by Customer hereunder shall be provided electronically in accordance with the TMS Agreement and any other applicable agreement between Customer and Umpqua, including any online Banking agreement. Customer shall be responsible for the accuracy and completeness of all information provided to Umpqua. In reliance on the information provided by Customer, Umpqua shall create a master issue file for each designated account ("Issued Item File"). Excluding valid stop payment orders and issue records voided at Customer's request, all Items that match by serial number and amount to Umpqua's Issued Item File will be deemed properly payable and Umpqua is authorized to pay such Items.

3. Exception Items

Each Business Day, Umpqua shall make reasonable efforts to report to Customer any Item serial numbers that do not match the Issued Item File for that day's presentment. Unless otherwise agreed to in writing by Umpqua, Umpqua is authorized to return or reject any digitized image of an item in its sole discretion, with or without cause, including any item that Umpqua determines to be ineligible for the Service (each, an "Exception Item"), including, without limitation, electronic images of paper items drawn on banks located outside of the United States, electronic images that are illegible, electronic images of items previously converted to Substitute Checks, and electronic images with unreadable MICR information, unless Customer instructs Umpqua to pay an Exception Item before the established deadline. Umpqua may rely on any instructions received from Customer that Umpqua reasonably believes to be genuine. Umpqua shall have no responsibility for any liability, loss or damage resulting from any payment in accordance with the TMS Agreement of any Exception Item that is altered or unsigned or which bears the forged or unauthorized signature of Customer, return of any Excepted Item to the depository Umpqua in accordance with the TMS Agreement, or Customer's failure to meet the deadlines for the Positive Pay Services. Customer may be required to place a stop payment order on

any Exception Item, which shall be subject to Umpqua's customary stop payment fee. Umpqua's failure to report a discrepancy will not discharge Customer's obligation regarding any Item, and shall not obligate Umpqua to return any Item if it is otherwise properly payable.

4. **Teller Positive Pay**

At available locations, Positive Pay Service accounts will interface with Umpqua's teller system, unless otherwise agreed in writing by Umpqua. Umpqua will compare Items presented for cash at a branch of Umpqua with Customer's Issued Item File. Umpqua may refuse to cash any Exception Item and such refusal will not be deemed to be a wrongful dishonor. In the event of dishonor, Umpqua will refer the presenter to Customer. Customer acknowledges that under some circumstances issuance information submitted by Customer may not be reflected in Customer's Issued Item File until the next Business Day. Customer shall follow Umpqua's procedures if Customer needs to manually add an Item to the Issued Item File. Umpqua will make reasonable efforts to assist Customer, but Customer acknowledges that Umpqua may be unable to process such requests on a "same day" basis. If Customer requests Umpqua not to activate or temporarily deactivate this teller positive pay Service, Customer shall assume all risk of loss for any Umpqua teller-cashed Item that would have been identified as an Exception Item before such non-activation or deactivation.

5. **Payee Positive Pay**

If Customer selects this option, Customer's Item stock will be subject to testing to ensure it meets Umpqua's requirements for payee name readability. Customer shall identify to Umpqua all accounts subject to Payee Positive Pay. In addition to the issued item information provided by Customer for the Positive Pay Service as described in Section 2 above, Customer shall supply Umpqua with the payee name for each item issued by Customer. Customer shall be responsible for the accuracy and completeness of the payee information provided to Umpqua. In reliance on the payee information provided by Customer, each Business Day, Umpqua shall make reasonable efforts to report to Customer any payee names that do not match the Issued Item File for that day's presentment. Customer acknowledges that Umpqua will not be able to validate payee information for electronically converted items presented to Umpqua for payment. Umpqua may, in its sole discretion, impose variable parameters for which the payee information will not be reviewed or for certain items processed through the back office. If such parameters are imposed, Umpqua agrees to assume the risk of loss for an item that would have been identified and reported to Customer as an exception item solely on the basis of the payee information.

6. **Reverse Positive Pay**

Paid File. Customer shall identify to Umpqua all Accounts subject to Reverse Positive Pay. Prior to the designated time, Umpqua will provide to Customer a listing of items presented for payment against an identified account. Information in the reporting will include, without limitation, the Account number, check number, and the amount of the presented item (the "Paid File"). By electing Reverse Positive Pay, Customer assumes all fraudulent and other risks associated with teller-cashed items.

Payment Instructions. Customer shall compare the information provided by Umpqua with the Customer's check issuance records. Customer shall notify Umpqua prior to the deadline established by Umpqua of Customer's decision on any reported Items that should be returned. Umpqua may rely on any instructions received from Customer that it reasonably believes to be genuine. Umpqua is authorized to pay any Item listed on the Paid File unless the Customer instructs Umpqua to return the Item prior to the established deadline. Umpqua shall have no responsibility for any liability, loss or damage resulting from (i) payment made in accordance with these Terms and Conditions of any Item that is altered or unsigned or which bears the forged or unauthorized signature of Customer or (ii) return of any Item to the depository Umpqua in accordance with these Terms & Conditions, or (iii) Customer's failure to meet the established deadlines for the Reverse Positive Pay Service. Umpqua reserves the right to require Customer to place a stop payment order on any item to be returned. Any such orders shall be subject to Umpqua's customary stop payment fee. Umpqua will make reasonable efforts to provide the Paid File to Customer and honor Customer's instructions. Umpqua's failure to provide the Paid File will not discharge Customer's obligation with regard to any Item that was otherwise properly payable at the time of presentment.

7. **ACH Positive Pay**

ACH Positive Pay allows Customers to view ACH exceptions and make decisions to pay or return them. Customer shall identify to Umpqua all Accounts subject to ACH Positive Pay. ACH transactions are compared against conditions, called payment rules ("Payment Rules"), which determine whether they

will be charged to the designated account or blocked. If a transaction matches the condition criteria set by Customer, it will be processed and charged to the Customer's designated account. Blocked transactions will be presented to Customer to make a decision whether to pay or return them. Information in the reporting of blocked transactions will include, without limitation, the Account number, the name of the originating company, the amount, and the effective date of the transaction. Customer can create new payment rules based on exceptions you decide to pay, which will prevent future exceptions from being generated for the same originating companies. If no decision is made by Customer to pay or return exception items by the deadline established by Umpqua, the blocked items will be returned.

Umpqua reserves the right at any time to process Digitized Items on a collection basis.
- 7. Non-waiver.** Umpqua's processing of any non-conforming Items, including any Items that do not meet the definition of "Check" hereunder, shall not constitute a waiver by Umpqua or obligate it to process such non-conforming Items in the future. Umpqua may discontinue processing of non-conforming Items at any time, without cause or prior notice.

Sweep Services

Cash Management Repurchase Agreement (“Investment Sweep”)

Under the terms of the Repurchase Agreement described herein, Umpqua promises to pay Customer upon termination of the Repurchase Agreement or as otherwise provided herein, the repurchase obligation plus interest earned thereon at a rate as provided herein, according to the following:

- 1. Description of Automatic Investments.** Regarding the DDA Transaction Account (“Transaction Account”), Customer and Umpqua shall agree upon an amount (“Target Balance”) of collected funds in the Transaction Account (“Collected Balance”).

After the close of business each Business Day at a time determined by Umpqua, Umpqua will ascertain the Collected Balance in the Transaction Account. All Collected Balance amounts on any given Business Day in excess of the Target Balance will be automatically transferred into the repurchase obligation during the next Business Day. If the Collected Balance in the Transaction Account on any given Business Day is less than the Target Balance, then funds will be transferred automatically from the repurchase obligation to the Transaction Account during the following Business Day. If the funds from the repurchase obligation are not sufficient to maintain a Collected Balance equal to or greater than the Target Balance in the Transaction Account, then the amount in the repurchase obligation shall be zero until the Collected Balance in the Transaction Account is more than the Target Balance. Customer acknowledges that increases and decreases in the amount of the repurchase obligation may only be affected through the Transaction Account.

Umpqua reserves the right to refuse to effect an automatic transfer in its sole discretion.

- 2. Interest Rate.** The repurchase obligation interest rate shall be established by Umpqua in its sole discretion and may change weekly. Interest is calculated daily based upon a 365 day-per-year basis. Umpqua will pay that rate regardless of any fluctuation in the market price of the underlying security. Further, the rate Umpqua pays is not necessarily related to the yield on the underlying security. The current rate of interest paid is available by contacting Umpqua’s Treasury Management Sales department or your Umpqua Banker.

Interest will be paid monthly. Umpqua shall deposit all earned interest to Customer’s Transaction Account by the third Business Day of the month following the month in which it was earned.

- 3. Security Interest.** In order to secure performance of the repurchase obligation, Umpqua hereby grants to Customer a security interest in certain Securities to be held by Umpqua as agent for Customer. “Securities” means U.S. Treasury Bills, Notes or Bonds, municipal securities, and/or federal agency securities and/or the government-guaranteed portion of certain government-guaranteed securities or securities issued by Freddie Mac, Fannie Mae or Ginnie Mae.

The repurchase obligation is an obligation of Umpqua. In the event of a material default by Umpqua hereunder, Customer may satisfy the repurchase obligation from the sale of the Securities securing such obligation. Otherwise, the general assets of Umpqua shall be used to satisfy the repurchase obligation rather than proceeds from the sale of the Securities securing the same.

When funds are automatically transferred into the repurchase obligation, the actual market value of the underlying Securities will be greater than the amount of funds transferred at that time. However, Customer may, at any time during the term of this Repurchase Agreement, become an unsecured creditor of Umpqua to the extent that the market value of the underlying Securities is less than the repurchase obligation balance and accrued interest.

At maturity, termination of this Repurchase Agreement or upon the closing of the Transaction Account, Umpqua shall pay to Customer the balance in the repurchase obligation plus accrued interest. At the same time, Umpqua will reacquire and Customer shall surrender to Umpqua Customer’s interest in the Securities securing the obligation.

Upon execution of this Repurchase Agreement, Umpqua will provide Customer with background information and the financial condition of Umpqua.

4. **REPURCHASE OBLIGATION FUNDS ARE NOT INSURED BY THE FEDERAL DEPOSIT INSURANCE CORPORATION ("FDIC") OR ANY OTHER GOVERNMENT AGENCY. THIS OBLIGATION IS NOT A SAVINGS ACCOUNT OR A DEPOSIT. REPURCHASE OBLIGATIONS INVOLVE THE SALE AND PURCHASE OF SECURITIES. THEY ARE SUBJECT TO INVESTMENT RISK, INCLUDING WITHOUT LIMITATION POSSIBLE LOSS OF PRINCIPAL. PAST PERFORMANCE OF AN INVESTMENT SHOULD NOT BE CONSIDERED AS A GUARANTEE OF FUTURE RESULTS.**
5. **Confirmation and Periodic Statements.** Umpqua will confirm in writing the specific Securities that it will sell to Customer under the TMS Agreement at the end of each Business Day that a transaction occurs. As and to the extent required by law, the confirmation shall describe the purchased securities (including CUSIP number, if any), identify Buyer (Customer) and Seller (Umpqua), and the purchase date, market price, redemption value applicable to the transaction, and any additional terms of the transaction not inconsistent with the TMS Agreement. The confirmation, together with the TMS Agreement, shall constitute conclusive evidence of the terms agreed between Buyer and Seller regarding the transaction to which the confirmation relates, unless a confirmation-specific objection is made promptly after receipt thereof. Regarding any inconsistency between such confirmation and the TMS Agreement, the TMS Agreement shall prevail.
6. **No Assignment.** The TMS Agreement is not negotiable and not assignable by Customer. Umpqua reserves the right to modify the TMS Agreement, or any portion thereof, upon written notice to Customer.
7. **Notice Regarding Swept Funds. Until completion of the sweep, funds swept out of the Transaction account in payment for Customer's purchase from Umpqua of Securities under the TMS Agreement will be Deposits. Upon completion of the sweep, they will no longer be Deposits and Customer will have no interest in them if Umpqua fails, but rather will be the legal owner of the Securities thus purchased. Loan Sweep

1. **Introduction.** If Customer is granted a Revolving Line of Credit by Umpqua, Customer will request and authorize Umpqua to advance available funds on the Line of Credit and then transfer those funds from the Line of Credit Note ("Note") and deposit them in Customer's checking account ("Checking Account") to pay Checks or other Items or charges presented daily for payment and to maintain the ("Target Balance") in the Checking Account.
2. **Overdrafts.** In the administration of the Loan Sweep Service ("Service"), no advance of principal will be made against the Note, for deposit into the Checking Account or otherwise, unless Customer has complied with the TMS Agreement including the requirement that any advance would not cause the loan balance to exceed the permitted amount of the Note or credit availability based on eligible collateral. Any Item in excess, in part or in whole, of the available credit will be an overdraft under the applicable Account Agreement. Umpqua reserves the right, in its sole discretion, to either pay or not pay the Items creating an overdraft. The Checking Account will then be subject to all charges normally assessed by Umpqua for paying overdraft items or returning the Checks or other Items. The availability of credit under the Note for advances to the Checking Account is subject at all times to the terms of the Note, the TMS Agreement, and the Account Agreement, and any other agreement between Customer and Umpqua, and may not be available if Customer is in default under any of the foregoing.
3. **Umpqua's Right of Refusal.** No advances may be made if the Line of Credit has matured, and has not been renewed by Umpqua, or if Customer is in default of any provision of the Note, any other document or instrument executed and delivered in connection with the Note and Line of Credit, or other debts or obligations owed to Umpqua, or any other agreement with Umpqua, and Umpqua reserves the right to suspend or cancel the loan sweep Service, without prior notice to Customer in the event of any such default. Loan Sweep Service is only available to Customers with risk quality and credit standing that is acceptable to Umpqua. If Customer's risk quality or credit standing becomes unacceptable to Umpqua, the loan sweep Service may be suspended or cancelled until Customer's risk quality or credit standing returns to levels acceptable to Umpqua.
4. **Excess Balances.** Select balances in excess of the Target Balance will be applied on a daily basis to the outstanding balance of the Note, to be applied in accordance with the terms thereof.
5. **Authority.** Customer acknowledges and understands that access to funds available to be drawn under the Note may be gained by any person with signing authority on the checking account. Customer shall indemnify and hold Umpqua harmless against all Losses and Liabilities relating, directly or indirectly, from any unauthorized use of this Service.
6. **Cash Management Repurchase Account.** If Customer is also a party with Umpqua to a Cash Management Repurchase Agreement applicable to the Checking Account, then (1) balances in the Checking Account shall be applied first to the Note as provided herein, to the extent of any balance, before being swept as described in the Cash Management Sweep Repurchase Agreement, and (2) the fee(s) for the use of both Services shall be defined in the current schedule of fees as amended from time to time.

7. NOTICE OF SWEEP FUNDS

We have established a target balance for the deposit accounts at Umpqua. When the balance falls below the established target in your deposit account, funds are swept from your loan account with Umpqua into your designated deposit account. When funds are available in the deposit account (i.e. after a deposit), funds will be swept back to the loan account. If it becomes necessary to apply FDIC insurance, the FDIC will allow the regularly scheduled sweeps to occur. Funds swept from the loan account to the deposit account will be FDIC insured (up to the established limits for FDIC insurance). Funds swept from the deposit account to the loan account will reduce the amount you owe Umpqua. The funds remaining in the deposit account after a sweep to the loan will be insured under the applicable FDIC Insurance limits.

Zero Balance Transfer Account (ZBA)

If Zero Balance Transfer Account Service ("ZBA Service") has been requested and agreed to by Umpqua, Customer authorizes Umpqua at the end of each Business Day to transfer, on a manual or automated basis, all of the funds in the demand deposit accounts of Customer designated by Customer as "Subsidiary accounts" into the Customer account designated by Customer as its central concentration "Lead" or "Concentration" account. Under the ZBA Service, Umpqua will automatically transfer funds from the Lead account to the relevant Subsidiary account to pay Checks and other debit Items presented for payment against the Subsidiary accounts. Conversely, as deposits occur in the Subsidiary accounts, the ledger balance and collected funds balance in those Subsidiary accounts will automatically be transferred to the Lead account. In this manner, the Subsidiary account will be maintained at a zero ledger balance and zero collected funds balance. Umpqua's provision of the ZBA Service will be governed by this Section, other relevant portions of the Terms & Conditions, the relevant Service Application and the deposit contracts governing Customer's Lead accounts and Subsidiary accounts.

- 1. Designated Lead and Subsidiary Accounts.** On the relevant Service Application, Customer will designate a Lead Account and at least one Subsidiary Account to be subject to the ZBA Service. Customer may change the designated Lead and Subsidiary Accounts and may add or delete a Subsidiary Account by providing Umpqua with verbal or written notice conforming to Umpqua's security procedures. Umpqua will make requested changes within a reasonable time following Umpqua's receipt of such notice.
- 2. Account Activity; Order of Payment and Rejection of Items.** Customer may draw Checks and other Items on Customer's ZBA Service Subsidiary Accounts, provided the aggregate amount of such Checks and other Items do not overdraw Customer's Lead Account. Customer agrees not to issue any Checks or other debit Items on the Lead Account or any Subsidiary Account if the aggregate amount of all such items would exceed the combined available balance of collected funds on deposit in the Lead Account and/or the applicable Subsidiary Account.

At the end of each Business Day, as part of the Umpqua's closing process for each of Customer's Lead and Subsidiary Accounts, Umpqua will make the funds transfers necessary to pay the Checks and debit Items presented for payment from such Accounts. Umpqua will not be required to honor any Checks or other debit Items drawn on any Lead or Subsidiary Account, if there would be insufficient available and collected funds in the Lead Account to pay those debit items. If Umpqua decides, in Umpqua's sole discretion, to honor an item which creates an overdraft, Customer shall be subject to Umpqua's standard overdraft fees and other terms and conditions of the TMS Agreement and any other agreement with Umpqua regarding negative balances, overdraft protection, if any, and other related subjects. If Umpqua does honor an item that creates an overdraft on Customer's Lead Account, Umpqua will not be obligated to continue the practice at a later time, nor will Umpqua be obligated to notify Customer of such discontinuance. Umpqua may decide the order in which Checks or other debit items are received during any Banking day will be presented and/or paid from the applicable Account and to reject for insufficient funds and such items that would exceed the available and collected funds balance in the Lead Account. Any Checks or other debit items that will cause the Lead Account to become overdrawn may be dishonored by Umpqua and such dishonor shall cause Customer to be subject to Umpqua's standard NSF fees and other charges for each such dishonored item.

- 3. Indirect and Unauthorized Access.** Customer acknowledges that access to the Lead Account balances may be gained by any Authorized Representative who has signing authority on a Subsidiary Account, regardless of whether Customer has also granted that person signing authority on the Lead Account. Customer shall indemnify and hold Umpqua harmless against all Losses and Liabilities relating, directly or indirectly, to such access to the Lead Account through a Subsidiary Account or otherwise to any unauthorized use of this Service by Customer, its employees, agents, or any third-party who gains access through any act or omission by Customer, or by its employees or agents.

2. **Communication of Order and Security Procedures.** Customer’s security procedures and communication methods for payment orders are denoted in the Service Application, which is hereby incorporated by reference.
3. **Authorization.** The persons named in the Service Application, incorporated herein by reference, are authorized by Customer to issue payment orders in the name of Customer, subject to any limitations stated in this document or the Service Application to be paid from the Authorized Account. These authorized persons are granted the authority by Customer to perform any act that they deem advisable for the effective exercise of their power to issue payment orders. This authorization remains effective until Umpqua receives (and has reasonable opportunity to act on) written notification of revocation thereof.
4. **Acceptance and Execution of Payment Orders.** Umpqua may accept payment orders from Customer who orders wire transfers of funds from Customer to beneficiaries at Umpqua or at other financial institutions. If Customer maintains a deposit account with Umpqua, Umpqua is authorized and directed to debit such Authorized Account for the amount of the payment order and the amount of the fees associated with such payment order separately.
 - Customer may only issue payment orders on Umpqua’s Business Days, excluding any Banking holidays. Payment orders also must be issued and received by Umpqua before any wire transfer cut-off times established by Umpqua. Umpqua may change its wire transfer cut-off times at any time at its sole discretion.
 - Umpqua may execute payment orders in any order convenient to Umpqua. Customer’s cancellation or amendment of payment orders shall be treated as payment orders for purposes of the TMS Agreement. Umpqua shall make reasonable attempts to cancel or amend any wire transfers at Customer’s request, but Customer acknowledges that some wire transfers may not be canceled or amended and Customer shall remain liable to Umpqua regarding such transfers. Furthermore, Customer will indemnify and hold Umpqua harmless from any and all liabilities, costs and expenses Umpqua may incur in its cancellation or amendment efforts.
 - Umpqua shall not be obligated to make any wire transfer, and Umpqua may reject a payment for any reason in its sole discretion. Additionally, Umpqua shall have no obligation to execute a transfer request if there are not sufficient available funds in Customer’s Authorized Account.

6. **Content of Payment Orders.** Umpqua, the beneficiary’s bank and any intermediary bank may rely on any account number in the payment order (whether a Umpqua account number or an account number at another institution) and pay the account identified by such number. Payments made to the account identified by the number shall be deemed properly made even if the number and the name in the payment order or assigned to the account are different and even if the number refers to a nonexistent, unidentifiable, or fictitious person. If an intermediary bank is needed to fulfill the payment order and Customer fails to specify an intermediary bank, Customer agrees and acknowledges that Customer’s payment order also constitutes Customer’s instruction to Umpqua to choose an intermediary Umpqua. Customer agrees that Umpqua has no control over other Umpqua s, and accordingly that Umpqua will have no liability if an intermediary or beneficiary bank imposes fees and charges by reducing the

payment order or credit to a beneficiary. When Umpqua selects the intermediary bank, a fee may be deducted by the intermediary bank and a portion of that fee may be shared with Umpqua. We are not liable for the actions of any intermediary, regardless of whether or not we selected the intermediary.

- 7. Payment of Customer's Order.** If Umpqua accepts a payment order, Umpqua may receive payment by automatically deducting from any Authorized Account the amount of the payment order plus the amount of any expenses and charges for Umpqua Services in execution of Customer's payment order. Umpqua is entitled to payment on the payment or execution date. Unless Customer's payment order specifies otherwise, the payment or execution date is the wire's transfer date Umpqua receives the payment order. The wire's transfer is completed upon acceptance by the beneficiary's bank. Customer's obligation to pay the payment order is excused if the wire's transfer is not completed, but Customer is still responsible to pay Umpqua any expenses and charges for Umpqua's Services. However, if Customer requested Umpqua to route the wire transfer through an intermediate bank and Umpqua is unable to obtain a refund because the intermediate bank that Customer designated has suspended payments, then Customer is still obligated to pay Umpqua for the payment order. Customer will not be entitled to interest on any refund Customer receives because the beneficiary's bank does not accept the payment order.
- 8. Foreign Currency Conversion.** If the payment order is expressed in U.S. Dollars, payment may be made in the currency of the foreign country to which the funds are transferred at the buying rate of the institution effecting payment. If payment is not made in a foreign country as requested, any refund shall be made subject to any foreign or domestic law or regulation then applicable after confirmation of the cancellation of the payment order. In no event shall any foreign currency refund amount be in excess of Umpqua's buying rate for the foreign currency at the time of refund. The exchange rates used for processing outbound or return payment orders may be a rate selected by Umpqua or other Umpqua (s) from a range of rates available in prevailing foreign exchange markets for interbank trading or at Umpqua's or the other Umpqua (s)' discretion. Customer acknowledges and agrees that the exchange rates used in processing foreign currency denominated payment orders may vary from the rate Umpqua and the other intermediaries themselves receive, or the government-mandated rate (if any) in effect, and that the rates used by Umpqua or other Umpqua (s) for Customer's payment orders may not be the lowest available to Customer, or to Umpqua or to the other Umpqua (s).

Customer is obligated to pay Umpqua the amount of the Drawdown Wire whether or not the Fedwire 1031 correctly identifies the account or the Requesting Bank as may be supplied by Customer to Umpqua. If any names or account numbers for any Drawdown Wire Transfer Request are inconsistent, the account numbers shall control. With respect to incoming wire transfers that do not indicate an account number recognizable by Umpqua; Umpqua may return the wire transfer to the sending financial institution without incurring any liability. Customer does not have the contractual right to reverse, adjust or revoke any Fedwire 1031 after it is received by Umpqua; however, Umpqua will use reasonable efforts to act on such a request by Customer to reverse, adjust or revoke a Fedwire 1031 before Umpqua has sent the outgoing wire transfer.
